A MESSAGE FROM YOUR DRUMMOND ISLAND COORDINATORS

Welcome to the Drummond Island Jeep Jamboree! We're excited to have you with us on Drummond Island! Like any Jamboree that's been around for thirty-plus years, there have been changes over the years – some minor, some major - but every one of them has been designed to make subsequent Drummond Island Jeep Jamboree experiences better than the one before! And that's a great barometer of the appeal this event has to the "It's a Jeep thing - you wouldn't understand!" crowd!

The trails on the Drummond Island Jamboree are designed to allow our staff to match your trail ride to your personal experience, equipment and comfort level. Seasoned Drummond Island trail guides will be on hand at registration to help you with your trail selection.

Every Jeep makes the trek out to the well-known Marble Head steps (a Badge of Honor point) where you can walk right to the edge of the rocky bluffs looking down at the tops of trees, and out over the north end of Lake Huron 90 feet below! The trail getting you there is full of breathtaking vistas and bays. Your trail riding will be on trails matched to your Jeep and experience.

On the Drummond Island Jamboree you stay with the same Jeep group for both days of trail riding! And when you're on the trails keep a look out for deer, bear, moose and bald eagles! All of these critters call Drummond Island "home"!

DRUMMOND ISLAND FERRY

Please refer to the schedule when planning your travel. Fares are typically about $20 per Jeep. If you are towing your fare will be higher. Fares are card/cashless only and are round trip.

* Thursday, Friday, & Saturday nights only

THE TRAILS

ADD ONE RATING LEVEL FOR WET WEATHER

All trail ratings will vary as they are based on weather, vehicle set-up and driver experience. Trail difficulty depends on choice of line, weather, and trail conditions.

What to expect on Drummond Island

DNR ORV License — In order to ride the trail system on Drummond Island, a State of Michigan "DNR ORV License" is required. A "DNR ORV License" will be provided to each Jeep at registration. You do not have to purchase an ORV license prior to the event!

Cell phones — Because of the remote location of Drummond, there are many places without cell coverage. Because of the close proximity to Canada your cell phone will connect to Canadian towers at times! We highly recommend that you turn off your roaming or add international roaming to avoid significant international roaming charges.

Drummond Island is an island — In order to get there you take a 148' ferry with a 32 car capacity from DeTour Village on the mainland side for a one mile ride across the St. Mary's River. The ferry generally makes one run per hour, more during high traffic. When planning your trip to Drummond Island build in some 'wait' time in for the ferry ride. Please refer to the ferry schedule and rate information in this itinerary to plan you trip. You'll have a good chance of seeing one of the giant Great Lakes ore freighters as they move up and down the river while on the ferry or waiting at the dock.

MARBLE HEAD SIGNATURE TRAIL

Rated 3–7

The Marble Head Trail is our signature trail on the Drummond Island Jeep Jamboree, all groups will have the opportunity to run this trail. To get to the Marble Head lookout Jeeps negotiate a challenging series of rock steps - first down, and then back up on the way out! Your route to Marble Head will vary to accommodate all groups, but all the trails may be characterized as rocky & muddy, and with several stops along Drummond's picturesque Lake Huron beaches. Great photo ops on this trail!

UPPER TURTLE RIDGE

Rated 3–7

Upper Turtle Ridge is tight and rocky, and has several obstacles - The Citadel, Moss Rock, and The Ledges – each offering several lines of varying difficulty to test you and your Jeep's ability. This trail will be combined with either Lower Turtle Ridge or Drummond Island Inner Trails to provide a full day of Drummond Island off road fun.

DRUMMOND ISLAND INNER TRAILS

Rated 3–7

A group of trails in the central part of Drummond Island with names like Tight Twisties, Halfrisch, Walker, Tree Hugger, and Conner Hole that can be described as tight, rocky, and fun! These trails have tricky rock climbs, lots of woods, and good chance to see deer or other wildlife.

LOWER TURTLE RIDGE HARDEST

Rated 6–8

This section of trails is reserved for Jeeps that are modified with experienced drivers. This section's trails are littered with larger rocks, aggressive rock climbs, mud, and off-camber sections. These trails have some of the most difficult sections on this Jamboree!

REQUIRED

Missing any of these means you are turned away at registration, without a refund.

- Tow points: frame-mounted tow hooks with grade 6 or 8 bolts, draw bars and receiver hitches, or aftermarket bumpers with a manufacturer-installed clevis or D-ring.
- A working GMRS-compatible radio. Guides call out upcoming obstacles, plus local history and wildlife.
- A full-size spare tire.
- Seat belts for all occupants, worn on the trail.
- Street legal, registered and insured, with a license plate.
- STRICTLY ENFORCED Tires no larger than 40". Suspension lift no more than 6". No exceptions.
- Roll bars on all open-topped vehicles, including CJs, Scramblers and Willys.
- A rated tree saver and soft shackle if you run a winch.
- No buggy-style Jeeps and no snowplow frames.

PACK LIST

Bring these with you — for registration, and for the trail.

- Signed waiver for every occupant; a parent or legal guardian signs for passengers under 18.
- Photo ID for the driver of record — the name must match the registration.
- Name badge, worn all weekend. It is your admission to trails and meals.
- Basic tool kit, first aid kit, tire gauge, rain jacket, clothing for all conditions.
- An ice chest of non-alcoholic drinks. Stay hydrated.
- Trail snacks and a chair or blanket for the lunch stop.
- Insect repellent, sun block, medications, hand sanitizer, flashlight, camera, binoculars.
- Toilet paper and zip-lock bags for tissue disposal.

Recommended: a tow strap with looped ends (metal hooks are not allowed), a fire extinguisher and first aid kit. Consider removing running boards and steps for higher-rated trails. Questions about your Jeep? Contact your Adventure Consultant before the event.

KNOW BEFORE YOU GO

- Registrations, and adding, deleting or changing passengers, close 14 days before the event.
- Check a 10-day forecast for every location listed here; conditions differ sharply between them.
- Drones require permission from your trail guides, and many landowners and agencies prohibit them outright.
- Alcohol and non-prescription drugs on the trail mean immediate expulsion without a refund.
- Pets are strongly discouraged; a pet waiver is required at registration.
- Trail access may be granted to guided Jamboree groups only — returning on your own violates our land use agreements.

TRAIL RATING SYSTEM

1–2

Relatively easy terrain. In optimum conditions some trails may not require continual use of 4WD.

3–5

Moderately demanding; a challenge for novice drivers. Mud holes, boulders, streams. Requires 4-LO.

6–7

Demanding at most skill levels. Deeper mud, larger boulders, steeper climbs. Requires 4-LO.

8–9

Very demanding. Getting stuck is likely and rock climbing is arduous. Lifts and lockers help.

Ratings describe the overall trail, not one or two tough spots. Rain, even from days prior, can raise a rating one or two points, especially on street tires. All vehicles are subject to a check before trail departure, and higher-rated trails are more likely to result in vehicle damage. When in doubt, ask a guide.
