KNOW BEFORE YOU GO

- Registrations, and adding, deleting or changing passengers, close 14 days before the event.
- Check a 10-day forecast for every location listed here; conditions differ sharply between them.
- Drones require permission from your trail guides, and many landowners and agencies prohibit them outright.
- Alcohol and non-prescription drugs on the trail mean immediate expulsion without a refund.
- Pets are strongly discouraged; a pet waiver is required at registration.
- Trail access may be granted to guided Jamboree groups only — returning on your own violates our land use agreements.
