WHAT TO BRING

- ___ **CB radio highly recommended!**
- ___ Basic tool kit recommended!
- ___ First aid kit recommended!
- ___ Tire gauge recommended!
- ___ Ice chest full of your favorite non-alcoholic beverages
- ___ **Full tank of gas prior to General Attendance Meeting!**
- ___ LOTS OF FLUIDS – The temperature can be hot

We HIGHLY recommend that you bring a CB radio!

There are many safety issues regarding upcoming obstacles transmitted over the CB radio by your trail guides. It is important for each vehicle to have a CB radio in their vehicle. You will also enjoy being able to participate in "trail chatter" with trail guides and your trail leader. Learn interesting facts about the area - history, local plant and wildlife, as well as exciting stories.

Other important items to consider bringing are: drinking water, trail snacks, chair or blanket for lunch stops, flashlights, camera/video camera, binoculars, insect repellent, sun block, hat, hiking boots, toiletries & medications, toilet paper and zip-lock bags for tissue disposal, hand sanitizer, rain jacket and warm clothing.

TRAIL USAGE AND INFORMATION

WATER CROSSINGS

We may have water crossings and water holes. Many of these crossings and holes offer a bypass if you decide to "go around". It is very **IMPORTANT** to watch and listen to your trail guide. Please be sure your air intake is disconnected. Your trail guide can help you with this if needed. When driving in deep water, GO VERY SLOW! If your engine gets wet and stalls, DO NOT try to start it as you may cause serious engine damage. After the Jamboree, please be sure to reconnect your air intake. For additional tips on water crossings, please refer to your copy of "Mark A. Smith's Guide to Safe, Common Sense Off-Road Driving".

A NOTE ON LAND USAGE

Many Jeep Jamboree USA events are held on private lands with the consent of landowners, or on public lands through special use permits. In some cases, Jamboree trail groups are granted access to trail areas, which are closed to all other vehicular access during the year. Please be aware that access to these trail areas is allowed only by guided JJUSA groups during the scheduled Friday and Saturday trail rides. Individual Jamboree guests returning later to drive in these areas on their own do so in violation of JJUSA's land use agreements and endanger future Jamboree usage of these restricted trails as well as being removed from the Jamboree without a refund. Thank you for your cooperation in assuring Jamboree access to some of America's most spectacular backcountry.

PLEASE TREAD LIGHTLY!

Travel responsibly on designated roads and trails or in permitted areas.

Respect the rights of others including private property owners and all recreational trail users, campers and others to allow them to enjoy their recreational activities undisturbed.

Educate yourself by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely.

Avoid sensitive areas such as meadows, lakeshores, wetlands and streams, unless on designated routes. This protects wildlife habitat and sensitive soils from damage.

Do your part by leaving the area better than you found it, properly disposing of waste, minimizing the use of fire, avoiding the spread of invasive species, restoring degraded areas, and joining a local enthusiast organization.

TRAIL DESCRIPTIONS

The Texas Spur Fall Jeep Jamboree offers some of the most challenging trails of any of our events. Obstacles range from steep inclines to sandy draws. Be prepared to maneuver over and around large boulders. A detailed description of the trails will be available during Thursday evening registration. Participants will have the opportunity to discuss the trails, their driving experience and vehicle capabilities with the trail guides during registration. Guides will work with participants for trail placement

TRAIL RATING SYSTEM

Every Jamboree trail is rated from 1 (easiest) to 10 (the most difficult). These ratings are based on the overall trail, not just on one or two tough spots. Rain can increase ratings by one or two points. Please remember, all vehicles are subject to inspection prior to trail departure. Numerically higher rated Jamborees are more likely to result in vehicular damage.

1-2 Obstacles and terrain are relatively easy to navigate. In optimum weather conditions, some trails may not require continual use of four-wheel drive (4WD).

3-5 Moderately demanding. Challenge for novice drivers. Obstacles may include: mud holes, boulders, and streams. Requires 4WD with 4-LO.

6-7 Demanding. Challenge for most skill levels. Mud holes get deeper, boulders get larger, and climbs get steeper. Requires 4WD with 4-LO.

8-9 Very demanding. Likelihood of getting stuck is high. Mud holes may be deep and rock climbing is more arduous. Lifts and lockers are helpful. Requires 4WD with 4-LO.

10 Extremely demanding. Reserved for the toughest off-road trip in the U.S.A. – the Rubicon Trail. Requires 4WD with 4-LO (*Not recommended for Jeep Patriot, Compass, Liberty, Cherokee, Grand Cherokee, or Commander.*)

FREQUENTLY ASKED QUESTIONS

WHO CAN I BRING?

Whoever you want! As long as they each have a required seat belt in your Jeep 4x4 and have completed registration, waiver and payment. Bringing pets is **strongly** discouraged. If your pet must attend, be sure to contact the Jeep Jamboree USA office for specific requirements.

WHERE DO I SLEEP ON A JEEP JAMBOREE?

Participants are responsible for arranging their own lodging. Included in this itinerary is a list of nearby accommodations. Be sure to mention you're attending a Jeep Jamboree when making your reservation.

WHAT DOES THE JAMBOREE COVER?

Lodging is not included with your registration fee. Your fee covers all necessary permits, experienced guides for the entire trip and breakfast, lunch and dinner on Friday and Saturday and an event plaque. NOTE: Meals vary. Regretfully, no accommodations can be made for dietary restrictions. Your Jeep Jamboree will offer you access to some of the finest trails in America — several of which are only available through this program. Each Jamboree also features a giveaway for chances to win great prizes. Sorry, no partial trips are offered and no spectators are allowed. All participants must be officially registered.

CAN I BRING MY JEEP LIBERTY, CHEROKEE, COMPASS, PATRIOT, GRAND CHEROKEE, OR COMMANDER?

Of course! All new Jeep 4x4 vehicles with a 4-LO transfer case are Trail Rated® and are tested on demanding 4x4 trails. Vehicles without 4-LO may **ONLY** use trails rated 1-2. Your Jeep four-wheel-drive vehicle is required to be in good condition, with good tires, brakes, and seat belts. In addition, we require prior approval for larger Jeep 4x4s, such as Grand Wagoneers and J-Series Pickups. Jeep Jamboree USA reserves the right to refuse participation to any applicant whose vehicle exceeds size restrictions.

COULD MY VEHICLE BE DAMAGED ON A JAMBOREE?

Every effort is made by Jeep® Jamboree USA to make the trails as safe as possible. Participants are advised to closely follow the instructions given by trail guides, spotters, and Jeep Jamboree USA. However, there's the possibility of receiving damage to your vehicle.

WHAT TO EXPECT

You will travel over rough terrain. Any damage is the owner's responsibility. Remember, Jamborees with higher numerical difficulty ratings are more likely to encounter terrain that may contribute to vehicular damage. Weather conditions may also increase the trail rating difficulty.

JEEP JAMBOREE USA POLICIES

SAFETY

Our trail guides are trained to put your safety first. If they ask you to refrain from any activity, to avoid specific trails or areas, which jeopardizes you or your fellow participant's safety, or is not authorized for our use, please follow their directions. JJUSA does not authorize or promote any night runs. **AS AGREED TO IN YOUR WAIVER ALL PARTICIPANTS AGREE TO WEAR HIS OR HER RESPECTIVE SEAT AND SHOULDER BELTS. IF A TRAIL GUIDE ASKS YOU TO WEAR YOUR SEAT BELT AND YOU DO NOT COMPLY, VIOLATORS WILL BE REMOVED FROM THE JEEP JAMBOREE — MONEY WILL NOT BE REFUNDED, AND THOSE INVOLVED WILL BE BANNED FROM ALL FUTURE JEEP JAMBOREES.**

ALCOHOLIC BEVERAGES

ALCOHOLIC BEVERAGES ARE NOT PERMITTED ON ANY TRAIL RIDE. VIOLATORS WILL BE REMOVED FROM THE JEEP JAMBOREE — MONEY WILL NOT BE REFUNDED, AND THOSE INVOLVED WILL BE BANNED FROM ALL FUTURE JEEP JAMBOREES.

REFUND POLICIES

We realize that unexpected events such as **work conflicts, mechanical problems and illnesses** may cause you to cancel your trip. However, we have many business partners that we pay deposits based on a preliminary participant count, therefore in order to limit the impact of cancellations the following penalties apply to your refund should you choose to cancel:

<u>Days Prior to Trip Date</u>	<u>Penalty</u>
Reservation to 21 days	\$35
20 days to 8 days	50%
7 days to 1 day	80%
Trip date and beyond	NO REFUND

Should you choose to transfer from one trip to another trip in the **SAME** calendar year you may do so for \$35 per transfer.

CHILDREN 5 & UNDER

Children 5 and under are not charged to participate with you in a Jamboree. Complimentary meals for children 5 and under will be provided.

ONSITE PURCHASES AT JAMBOREE

If you purchase JJUSA merchandise at the event, please be aware that we can accept payment by check or cash only; sorry no credit cards!

NO C.O.D.S

Please note that all registrations must be paid in advance

NO PARTIAL DAYS OR MEALS ONLY REGISTRATIONS

Registrations are for the **SAME** person (driver or passengers) for **BOTH** days. Passengers may not be swapped; i.e. one person on one day; another person another day. We base our nametags, meals and

waivers on the same person for both days. We do not permit partial (one-day only) registrations (no refunds are given for days not used), nor do we sell a "meals only" option for those who are not on the trail but wish to join participants for meals.

A MESSAGE FROM YOUR TRIP

COORDINATORS

We are really excited to welcome you to what we think is one of the best Jamborees that JJUSA has to offer. We felt we might add some additional information for your convenience in planning your trip

We have moved our headquarters, meals and meetings to the Llano County community Center. The Center will provide an indoor environment and hopefully solve some of the weather problems we had with our old arrangement. The Llano Golf & River Resort is right next door and provides RV hookups. Tent camping is available at the Llano City Park.

We have about an 18-20 mile drive to the Inks Ranch. This route is primarily over county roads and can be driven with aired down tires. However, you may want to bring an air compressor if you wish to air up before the return trip. The last 3-4 miles to the Inks Ranch are run on a dirt road. Due to the extreme heat and lack of rain we have experienced this can be an extremely dusty drive. Plan Accordingly. You can leave your Jeep doors on the Inks Ranch during your trail runs if you desire. We do not recommend that you trailer your Jeep to the ranch due to lack of parking and the time required to unload.

Everyone registers with a color group versus easy to difficult trails at other Jamborees. Every color group runs the same trails with the exception of our Yellow group.

We recommend that less experienced drivers and those with stock Jeeps other than Rubicons register with the Yellow group. This group runs all the trails the other groups do with the exception of the more difficult portions of Moab and Watch Mountain trails.

The Inks Ranch is approximately a 1,100 acre ranch that is mainly granite, which makes for a lot of excitement and fun for our participants. We look forward to seeing you at the Texas Spur Fall Jeep Jamboree.

SPECIAL THANKS!
