WHAT TO BRING

- ___ **CB Radio**
- ___ Basic tool kit recommended!
- ___ First aid kit recommended!
- ___ Tire gauge recommended!
- ___ Ice chest full of your favorite non-alcoholic beverages
- ___ **Full tank of gas prior to General Attendance Meeting!**
- ___ Lots of fluids

We HIGHLY recommend that you bring a CB radio!

There are many safety issues regarding upcoming obstacles transmitted over the CB radio by your trail guides. It is important for each vehicle to have a CB

radio. Learn interesting facts about the area - history, local plant and wildlife, as well as exciting stories.

Other important items to consider bringing are: drinking water, trail snacks, chair or blanket for lunch stops, flashlights, camera/video camera, binoculars, insect repellent, sun block, hat, hiking boots, toiletries & medications, toilet paper and zip-lock bags for tissue disposal, hand sanitizer, rain jacket and warm clothing.

TRAIL USAGE AND INFORMATION

WATER CROSSINGS

We may have water crossings and water holes. Many of these crossings and holes offer a bypass if you decide to “go around”. It is very **IMPORTANT** to watch and listen to your trail guide. Please be sure your air intake is disconnected. Your trail guide can help you with this if needed. When driving in deep water, GO VERY SLOW! If your engine gets wet and stalls, DO NOT try to start it as you may cause serious engine damage. After the Jamboree, please be sure to reconnect your air intake. For additional tips on water crossings, please refer to your copy of “Mark A. Smith’s Guide to Safe, Common Sense Off-Road Driving”.

A NOTE ON LAND USAGE

Many Jeep Jamboree USA events are held on private lands with the consent of landowners, or on public lands through special use permits. In some cases, Jamboree trail groups are granted access to trail areas, which are closed to all other vehicular access during the year. Please be aware that access to these trail areas is allowed only by guided JJUSA groups during the scheduled Friday and Saturday trail rides. Individual Jamboree guests returning later to drive in these areas on their own do so in violation of JJUSA’s land use agreements and endanger future Jamboree usage of these restricted trails as well as being removed from the Jamboree without a refund. Thank you for your cooperation in assuring Jamboree access to some of America’s most spectacular backcountry.

PLEASE TREAD LIGHTLY!

Travel responsibly on designated roads and trails or in permitted areas.

Respect the rights of others including private property owners and all recreational trail users, campers and others to allow them to enjoy their recreational activities undisturbed.

Educate yourself by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely.

Avoid sensitive areas such as meadows, lakeshores, wetlands and streams, unless on designated routes. This protects wildlife habitat and sensitive soils from damage.

Do your part by leaving the area better than you found it, properly disposing of waste, minimizing the use of fire, avoiding the spread of invasive species, restoring

degraded areas, and joining a local enthusiast organization.

TRAIL RATING SYSTEM

Every Jamboree trail is rated from 1 (easiest) to 10 (the most difficult). These ratings are based on the overall trail, not just on one or two tough spots. Rain can increase ratings by one or two points. Please remember, all vehicles are subject to inspection prior to trail departure. Numerically higher rated Jamborees are more likely to result in vehicular damage.

1-2 Obstacles and terrain are relatively easy to navigate. In optimum weather conditions, some trails may not require continual use of four-wheel drive (4WD).

3-5 Moderately demanding. Challenge for novice drivers. Obstacles may include: mud holes, boulders, and streams. Requires 4WD with 4-LO.

6-7 Demanding. Challenge for most skill levels. Mud holes get deeper, boulders get larger, and climbs get steeper. Requires 4WD with 4-LO.

8-9 Very demanding. Likelihood of getting stuck is high. Mud holes may be deep and rock climbing is more arduous. Lifts and lockers are helpful. Requires 4WD with 4-LO.

10 Extremely demanding. Reserved for the toughest off-road trip in the U.S.A. – the Rubicon Trail. Requires 4WD with 4-LO (*Not recommended for Jeep Patriot, Compass, Liberty, Cherokee, Grand Cherokee, or Commander.*)

During registration Participants will have the opportunity to discuss the trails, their driving experience and vehicle capabilities with the trail guides. Guides will work with participants for trail placement.

RAIN MAY INCREASE TRAIL RATINGS 1 OR 2 POINTS, ESPECIALLY WITH STREET TIRES.

FRIENDLY REMINDERS – Before, During, After Your Trip

BEFORE YOU LEAVE

Please return a waiver form signed by everyone in your vehicle (by mail, fax or email) to the JJUSA office as soon as possible. Your registration **IS NOT COMPLETE** until we receive a completed waiver. This helps you to prevent delays in processing your registration and avoid longer wait times during registration. A waiver for participants under the age of 18 years old must be signed by a parent, or the minor’s legal guardian.

New Registrations and Adding Passengers: It is very important to register new vehicles and/or passengers **at least two weeks** prior to the Jamboree date. This will enable us to give an accurate count to our caterer for the meals. Please note that registration prices are per person, not per Jeep vehicle.

Event T-Shirts are not included in your registration fee. You may pre-order event T-Shirts at the time of your registration. Shirts will be given to you at Thursday registration. Other Jeep Jamboree USA clothing and merchandise will be available onsite and online however quantities and sizes are limited.

WHILE YOU ARE THERE...

Name Badges and Wristbands

When you register on-site Thursday evening, you will be given one nametag and a wristband. Please wear both of these while at the event. They are verification of registration. Those without a wristband will not be served meals or allowed on the trails.

FREQUENTLY ASKED QUESTIONS

WHO CAN I BRING?

Whoever you want! As long as they each have a required seat belt in your Jeep 4x4 and have completed registration, waiver and payment. Bringing pets is **strongly** discouraged. If your pet must attend, be sure to contact the Jeep Jamboree USA office for specific requirements.

WHERE DO I SLEEP ON A JEEP JAMBOREE?

Participants are responsible for arranging their own lodging. Included in this itinerary is a list of nearby accommodations. Be sure to mention you're attending a Jeep Jamboree when making your reservation.

WHAT DOES THE JAMBOREE FEE COVER?

Your fee covers all necessary permits, land-use fees, experienced guides for the entire trip, three meals on both Friday and Saturday ("Select" adventurers include evening meals only). NOTE: Meals vary. Regrettably, no accommodations can be made for special diets or dietary restrictions. Also included is an official Jeep Jamboree dash plaque and access to some of the finest trails in America — several of which are only available through this program. Each Jamboree also features a giveaway for chances to win great prizes. Sorry, no partial trips are offered or meal only options and no spectators allowed.

CAN I BRING MY JEEP LIBERTY, CHEROKEE, COMPASS, PATRIOT, GRAND CHEROKEE, OR COMMANDER?

Of course! All new Jeep 4x4 vehicles with a 4-LO transfer case are Trail Rated® and are tested on demanding 4x4 trails. Vehicles without 4-LO may **ONLY** use trails rated 1-2. Your Jeep four-wheel-drive vehicle is required to be in good condition, with good tires, brakes, and seat belts. In addition, we require prior approval for larger Jeep 4x4s, such as Grand Wagoneers and J-Series Pickups. Jeep Jamboree USA reserves the right to refuse participation to any applicant whose vehicle exceeds size restrictions.

COULD MY VEHICLE BE DAMAGED ON A JAMBOREE?

Every effort is made by Jeep® Jamboree USA to make the trails as safe as possible. Participants are advised to closely follow the instructions given by trail guides, spotters, and Jeep Jamboree USA. However, there's the possibility of receiving damage to your vehicle.

WHAT TO EXPECT

You will travel over rough terrain. Any damage is the owner's responsibility. Remember, Jamborees with higher numerical difficulty ratings are more likely to encounter terrain that may contribute to vehicular damage. Weather conditions may also increase the trail rating difficulty.
