## TRAIL USAGE AND INFORMATION

### WATER CROSSINGS

We may have water crossings and water holes. Many of these crossings and holes offer a bypass if you decide to "go around". It is very **IMPORTANT** to watch and listen to your trail guide. Please be sure your air intake is disconnected. Your trail guide can help you with this if needed. When driving in deep water, GO VERY SLOW! If your engine gets wet and stalls, DO NOT try to start it as you may cause serious engine damage. After the Jamboree, please be sure to reconnect your air intake. For additional tips on water crossings, please refer to your copy of "Mark A. Smith's Guide to Safe, Common Sense Off-Road Driving".

### A NOTE ON LAND USAGE

Many Jeep Jamboree USA events are held on private lands with the consent of landowners, or on public lands through special use permits. In some cases, Jamboree trail groups are granted access to trail areas, which are closed to all other vehicular access during the year. Please be aware that access to these trail areas is allowed only by guided JJUSA groups during the scheduled Friday and Saturday trail rides. Individual Jamboree guests returning later to drive in these areas on their own do so in violation of JJUSA's land use agreements and endanger future Jamboree usage of these restricted trails as well as being removed from the Jamboree without a refund. Thank you for your cooperation in assuring Jamboree access to some of America's most spectacular backcountry.

### PLEASE TREAD LIGHTLY!

**Travel responsibly** on designated roads and trails or in permitted areas.

**Respect the rights** of others including private property owners and all recreational trail users, campers and others to allow them to enjoy their recreational activities undisturbed.

**Educate yourself** by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely.

**Avoid sensitive areas** such as meadows, lakeshores, wetlands and streams, unless on designated routes. This protects wildlife habitat and sensitive soils from damage.

**Do your part** by leaving the area better than you found it, properly disposing of waste, minimizing the use of fire, avoiding the spread of invasive species, restoring degraded areas, and joining a local enthusiast organization.

## TRAIL RATING SYSTEM

Every Jamboree trail is rated from 1 (easiest) to 10 (the most difficult). These ratings are based on the overall trail, not just on one or two tough spots. Rain can increase ratings by one or two points. Please remember, all vehicles are subject to vehicle check prior to trail departure. Numerically higher rated Jamborees are more likely to result in vehicular damage.

**1-2 Obstacles and terrain are relatively easy to navigate.** In optimum weather conditions, some trails may not require continual use of four-wheel drive (4WD).

**3-5 Moderately demanding.** Challenge for novice drivers. Obstacles may include: mud holes, boulders, and streams. Requires 4WD with 4-LO.

**6-7 Demanding.** Challenge for most skill levels. Mud holes get deeper, boulders get larger, and climbs get steeper. Requires 4WD with 4-LO.

**8-9 Very demanding.** Likelihood of getting stuck is high. Mud holes may be deep and rock climbing is more arduous. Lifts and lockers are helpful. Requires 4WD with 4-LO.

**10 Extremely demanding.** Reserved for the toughest off-road trip in the U.S.A. – the Rubicon Trail. Requires 4WD with 4-LO (*Not recommended for Jeep Patriot, Compass, Liberty, Cherokee, Grand Cherokee, or Commander.*)

During registration participants will have the opportunity to discuss the trails, their driving experience and vehicle capabilities with the trail guides. Guides will work with participants for trail placement.

*RAIN MAY INCREASE TRAIL RATINGS 1 OR 2 POINTS, ESPECIALLY WITH STREET TIRES.*

## FRIENDLY REMINDERS – Before, During, After Your Trip

### BEFORE YOU LEAVE

It is **mandatory** to return a waiver form signed by everyone in your vehicle (by mail, fax or email) to the JJUSA office as soon as possible. Your registration **IS NOT COMPLETE** until we receive a completed waiver. This helps you to prevent delays in processing your registration and avoid longer wait times during registration. A waiver for participant's under the age of 18 years old must be signed by a parent or the minor's legal guardian.

New registrations, adding or changing passengers: It is very important to register new vehicles, add or change passengers **at least two weeks** prior to the Jamboree date. This will enable us to give an accurate count to our caterer for the meals. Please note that registration prices are per person, not per Jeep vehicle. Event T-Shirts are not included in your registration fee. You may pre-order event T-Shirts at the time of your

registration. Shirts will be given to you at Thursday registration. Other Jeep Jamboree USA clothing and merchandise will be available onsite and online however quantities and sizes are limited.

### WHILE YOU ARE THERE

#### Name Badges and Wristbands

## FREQUENTLY ASKED QUESTIONS

### WHO CAN I BRING?

Whoever you want! As long as they each have a required seat belt in your Jeep 4x4. Bringing pets is strongly discouraged. If your pet must attend, you must submit a pet waiver prior to event.

### WHERE DO I SLEEP ON A JEEP JAMBOREE?

Participants are responsible for arranging their own lodging. Included in this event schedule is a list of accommodations. Be sure to mention you're attending a Jeep Jamboree when making your reservation.

### WHAT DOES THE JAMBOREE FEE COVER?

Your fee covers all necessary permits, land-use fees, experienced guides for the entire trip, three meals on both Friday and Saturday ("Select" adventurers include evening meals only). NOTE: Meals vary. Regrettably, no accommodations can be made for special diets or dietary restrictions. Also included is an official Jeep Jamboree dash plaque and access to some of the finest trails in America – several of which are only available through this program. meal only options and no spectators allowed. All participants must be officially registered.

### **CAN I BRING MY JEEP LIBERTY, CHEROKEE, COMPASS, PATRIOT, GRAND CHEROKEE, OR COMMANDER?**

Of course! All new Jeep 4x4 vehicles with a 4-LO transfer case are Trail Rated® and are tested on demanding 4x4 trails. Vehicles without 4-LO may **ONLY** use trails rated 1-2. Your Jeep four-wheel-drive vehicle is required to be in good condition, with good tires, brakes, and seat belts. In addition, we require prior approval for larger Jeep 4x4s, such as Grand Wagoneers and J-Series Pickups. Jeep Jamboree USA reserves the right to refuse participation to any applicant whose vehicle exceeds size restrictions.

### **COULD MY VEHICLE BE DAMAGED ON A JAMBOREE?**

Every effort is made by Jeep Jamboree USA to make the trails as safe as possible. Participants are advised to closely follow instructions given by trail guides, spotters, and Jeep Jamboree USA. However, there's the possibility of damage to your vehicle when traveling rough terrain. Any damage is the owner's responsibility. Jamborees with higher difficulty ratings are more likely to encounter terrain that may contribute to vehicular damage. Participants are required to sign a waiver form.
