

AZORES

PEARLS IN THE ATLANTIC

OFFROAD AND ONROAD 2024

ADVENTURE, NATURE, WELLNESS AND CUISINE

THE MOST BEAUTIFUL VERSION OF A HOLIDAY WITH A JEEP

The Azores - let's start on a serious note - are an autonomous region of Portugal. A group of islands in the middle of the Atlantic. The islands are characterised by a dramatic landscape, fishing villages, green meadows, blue hydrangea hedges and a lot of primeval forest.

São Miguel is the largest island - with its own small but excellent airport, some of which can be reached by direct flight from North America and Europe. Otherwise, it is easy to reach via Lisbon.

But now let's put it in our language: The Azores are Hawaii, a bit Icelandic and certainly comparable to the southern Alps. We didn't believe that the happiest cows in the world lived here - but now we can confirm it.

CULINARY & CUISINE

A NEW DEFINITION OF FRESHNESS

The cuisine here is certainly the best in the world. We claim it can't be better - only possibly different.

The definition of freshness gets a new award. We say everyone will be thrilled. And that's why the culinary theme is also an integral part of this trip - you're on full board - and you'll enjoy it. We were told during the preparation that people from the Azores don't like to eat out when they are off the islands. Today we know why.

SÃO MIGUEL

CRYSTAL CLEAR WATER

São Miguel is the largest island in the Azores, 62 km long and 16 km wide. It also includes the many tiny islands of Formigas and Santa Maria (distance 81 KM).

Here on the main island, after a unique midday meal, it is also wonderful to relax in the Caldeira Velha - a natural swimming pool with crystal-clear water that is always kept at a pleasant temperature by warm steam.

WHALE WATCHING, JUNGLE & VOLCANO ISLAND

VISITING THE MOST BEAUTIFUL SPOTS

How about a boat trip out to the Atlantic Ocean for whale watching? Or an extraordinary off-road trip through the jungle?

Every day will inspire anew - at high altitudes - off the beaten track - in the middle of this extraordinary nature.

Surely the most beautiful version of a holiday - adventure, nature, wellness and culinary delights combined - on one of the most beautiful spots on earth.
