Polices & Reminders For All 2019 Jeep Jamborees

2019 Event Waiver

You are required to complete a Release of Liability Waiver for all occupants of your Jeep 4x4. You must bring it with you to on-site registration (Thursday). A printed, signed and dated Release of Liability Waiver is required for each participant attending a Jeep Jamboree USA event. All passengers in your Jeep 4x4 must sign a Release of Liability Waiver. A parent or the minor's legal guardian must sign and date a waiver for participants under the age of 18 years old. If you forget your signed Release of Liability Waiver, all occupants of your vehicle must be present at registration to sign a new waiver before you can receive your event credentials.

On-Site Registrations Will Not Be Accepted

All new registrations of vehicles, adding, deleting or changing passengers must be completed (2) two weeks prior to the Jamboree date. Please refer to the refund and transfer policy on your registration form, event itinerary or the official Jeep Jamboree website jeepjamboreeusa.com

Maximum Tire Size

Participant Jeep tire size is not to exceed 37". If you exceed the tire limitations you will be turned away at registration and will not be allowed to attend the Jamboree or receive a refund.

CB Radios Are Required

A working CB radio with adequate antenna is mandatory for all Jeep Jamboree events. Handheld CB's are not recommended.

Vehicle Evaluation → Registration → Trail Sign-Up

Your Vehicle Evaluation must be stamped by a Jeep Jamboree Event Staff during on-site registration **before** you are permitted to sign up for off-road trails.

Name Badge

Each participant must wear their name badge throughout the entire Jamboree.

Trail Stickers

Trail stickers provided at trail sign-ups must be displayed on your windshield prior to departing for any off-road trail ride.

Trail Conditions

Trail conditions can vary widely between trails and even on the same trail on different days. Factors such as weather, other Jeeps and the line you choose all have an effect on the trail and how your Jeep will traverse it. Rainfall, even from days prior, may increase trail ratings 1 or 2 points. When in doubt, ask a Jeep Jamboree Trail Guide for guidance.

Special Notes For Big Horn Mountains

Event T-Shirts

Jeep Jamboree USA Event T-shirts are not trip specific and are the same for the entire season. Event t-shirts are included in your registration fee and must be ordered at the time of your registration. Please list desired sizes during your online registration or while registering over the phone.

Weather Conditions

Weather conditions can be dynamic at a Jeep Jamboree. Rain, snow and broad temperature ranges are all possible in the mountains. We recommend you look at a 10-day forecast of weather conditions at weather.com or a similar site.

11th Big Horn Mountains Jeep Jamboree

Big Horn Mountains is a Classic Jeep Jamboree.

Your catered meals include breakfast, lunch, and dinner on Friday and Saturday.

The closest town, Dayton, Wyoming, is about 27 miles from Burgess Junction

A Message From Your Big Horn Mountains Coordinator...

We are looking forward to sharing what we call our "back yard" with you. The Big Horn Mountains Jeep Jamboree will take you to some of America's most picturesque areas. We offer this event as an off-road scenic tour. There will be some obstacles that will test the driving capabilities of both you and your Jeep, however you will mostly remember the wide-open scenery of this beautiful area. This Jamboree will provide the amateur and experienced photographer with a backdrop for magnificent camera shots while you navigate in and around boulders, trees and mountain vistas. The Big Horn Mountains are conveniently located near other points of interest. Before or after the Big Horn Mountains Jamboree plan on a side trip to the site of the Battle of Little Big Horn, Yellowstone National Park, Devil's Tower, or Custer State Park. All of these historic and geographical marvels are within 4-5 hours of the Big Horn Mountains Jeep Jamboree. This is not city driving; it is wide open spaces that will keep you in awe of the surroundings you are driving through. Make this your trip of a lifetime based around a Jeep Jamboree. Plan now for your Jeep Jamboree Vacation Get Away. We look forward to seeing you!

Sincerely – Seth Stebbins and the Big Horn Mountains Trail Guides

Trail Descriptions

Woodchuck • Rated 4

Woodchuck is a scenic trail that takes you to amazing rock outcroppings, through meadows and ending with a piece of Wyoming history called the Tie Flume, this trail is a photographer's mecca. During your time on woodchuck you will experience rocks, water crossings and reaching an elevation of around 9,800 feet all the while enjoying Wyoming scenery, livestock and wildlife- a moose or two have been known to frequent Woodchuck. There has even been a sighting or two of working dogs moving their flock of sheep through the breath taking meadows and valleys.

Shell • Rated 6-7

Shell is a trail that has much to offer for everyone, named for the splendid Shell Creek Reservoir. There are obstacles, water crossings and breathtaking Wyoming landscapes that are a must see. Although there are by-passes this trail offers challenges and a thrill that only the Bighorn Mountains can provide. While wheeling on Shell there are moments of off-camber, mud (depending on the previous winter and current weather), boulders and the monument rock known as Kissing Rock. Kissing Rock is a Shell right of passage that is sought after year and again. Shell is full of confidence boosting obstacles that are a tribute to what a jeep can do all the while witnessing awe inspiring countryside.

299 • Rated 6-7

299 is a crawler's playground. This trail is nestled in the trees with many obstacles that require at least one locker and 35" tires. You will get to experience the ever-satisfying tire squish on this challenging trail. The trail is narrow and full of rocks that offer a query especially when weather gets interesting. The old saying goes: "Don't like the weather in Wyoming? Wait a minute and it will change."

186/187 • Rated 5

A rocky trail that lead to spectacular views of the Bighorn mountains. While traveling on the 186/187 trail you will experience close ups of the forest, mud and rocks. In the time wheeling on this trail you will remain in 4-low and crawl along the scenery. Make sure and have your camera handy for all that this trail has to offer.

Wilderness • Rated 5-6

Wilderness trail begins in the national forest, with the natural beauty of the Bighorn National forest known for its dense woods, wildlife, variety of views and rocks. The trail ends with an abandoned mining operation. Rather than ascending up the mountain you will find yourself descending the mountain on a trail that has a little bit of everything. Wilderness has water crossings, mud, rocks and narrow places that allow for a close up of what your jeep vehicle can really do.

Freezeout • Rated 3-4

This trail is a sightseeing dream. Freezeout is a trail that is for the stock jeep, relaxed driver or beginning jeeper. The trail leads you near 10,000 feet to a spectacular view of the lovely mountain town in Wyoming named Dayton. The trail can have a bit of a washout to experience some fun jeeping, on a relaxed trail while touring the Bighorn mountains, giving you a bit of a feel for what your jeep vehicle is capable of all the while maintaining an easy pace.

For trip or Jeep questions, contact your Adventure Consultant, Ty Devereaux • ty@jeepjam.com • 530.333.1462

For registration questions, adding, or changing passengers, contact Savannah Brewer • savannah@jeepjam.com • 530.333.2550

How Do I Get There?

Elk View Inn is located approximately 30 miles southwest of Dayton, Wyoming off of Highway 14.

From the east

Take Interstate 90 North towards Dayton.

Exit on Highway 14. Travel Hwy 14 to Burgess Junction where 14 and 14A intersect.

Elk View Inn is approximately 1 mile south of the junction on Hwy 14.

From the south

Take Interstate 25 North. Interstate 25 will merge with Interstate 90.

Follow Interstate 90, exit on Hwy 14. Travel Hwy 14 to Burgess Junction where 14 and 14A intersect.

Elk View Inn is approximately 1 mile south of the junction on Hwy 14.

Lodging Information

Motels

Elk View Inn 307-461-4168 or 4171

Bear Lodge Resort 307-752-2444 or 5444

Accommodations can be made for motel rooms, family units and rustic cabins. Ask for a full description of accommodations offered. The Elk View Inn is a non-smoking hotel and does not accommodate pets.

The Bear Lodge Resort has smoking rooms and is pet friendly.

Camping & RV Parking

Both Bear Lodge Resort and Arrowhead Lodge offer RV and tent camping.

There are limited full hook ups available at each site. Primitive tent camping is also available.

For camping, Bear Lodge is closest to our registration, vehicle evaluation, general attendance meetings and meals.

Important Information

Trail Rating System

Every Jamboree trail is rated from 1 (easiest) to 10 (the most difficult). These ratings are based on the overall trail, not just on one or two tough spots. Rain can increase ratings by one or two points. Please remember, all vehicles are subject to vehicle check prior to trail departure. Numerically higher rated Jamborees are more likely to result in vehicular damage.

- 1-2** Obstacles and terrain are relatively easy to navigate. In optimum weather conditions, some trails may not require continual use of four-wheel drive (4WD).
- 3-5** Moderately demanding. Challenge for novice drivers. Obstacles may include: mud holes, boulders, and streams. Requires 4WD with 4-LO.
- 6-7** Demanding. Challenge for most skill levels. Mud holes get deeper, boulders get larger, and climbs get steeper. Requires 4WD with 4-LO.
- 8-9** Very demanding. Likelihood of getting stuck is high. Mud holes may be deep and rock climbing is more arduous. Lifts and lockers are helpful. Requires 4WD with 4-LO.
- 10** Extremely demanding. Reserved for the toughest off-road trip in the U.S.A. – the Rubicon Trail.

Requires 4WD with 4-LO, front and rear lockers, skid plates, rock rails and an aftermarket rear differential cover.

Rubicon Trail Jeep Jamboree is limited to TJ, JK, JL and JT models only without prior approval. Jeep Renegade, Patriot, Compass, Liberty, Cherokee, Grand Cherokee, or Commanders are not allowed.

During registration participants will have the opportunity to discuss the trails, their driving experience and vehicle capabilities with the trail guides. Guides will work with participants for trail placement. Rain may increase trail ratings 1 or 2 points, especially with street tires.

Waivers are required!

Waivers will be collected at the Jamboree during registration. Please read, sign and bring the completed waiver with you. All passengers in your Jeep vehicle must sign and date this waiver. A waiver for participants under the age of 18 years old must be signed and dated by a parent or the minor's legal guardian.

Registrations, adding, deleting, or changing of passengers

In order to give accurate counts to our caterer for the meals, pay for land use and permit fees, all new registrations of vehicles, adding, deleting or changing of passengers must be completed (2) two weeks prior to the Jamboree date. We will no longer be able to accommodate any on-site registrations. This is for both adding of Jeeps or passengers. Please note that registration prices are per person, not per Jeep vehicle. Event T-Shirts are included in your registration fee. You must pre-order event T-Shirts at the time of your online or phone registration. Pre-ordered shirts will be given to you during on-site registration.

Please Tread Lightly!

Travel responsibly on designated roads and trails or in permitted areas.

Respect the rights of others including private property owners and all recreational trail users, campers and others to allow them to enjoy their recreational activities undisturbed.

Educate yourself by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely.

Avoid sensitive areas such as meadows, lakeshores, wetlands and streams, unless on designated routes. This protects wildlife habitat and sensitive soils from damage.

Do your part by leaving the area better than you found it, properly disposing of waste, minimizing the use of fire, avoiding the spread of invasive species, restoring degraded areas, and joining a local enthusiast organization.

For trip or Jeep questions, contact your Adventure Consultant, Ty Devereaux • ty@jeepjam.com • 530.333.1462

For registration questions, adding, or changing passengers, contact Savannah Brewer • savannah@jeepjam.com • 530.333.2550

Frequently Asked Questions

What are the requirements for my Jeep?

- **Tow points are MANDATORY!** Tow points may include, tow hooks properly mounted to the frame with grade six / eight bolts according to official Mopar installation procedures, draw bars, receiver hitches, or aftermarket bumpers with manufacturers installed clevis or D-ring anchor. *If you do not have tow points, you may be turned away at registration without a refund.*
- **A CB Radio is MANDATORY!** Handheld CB's are not recommended. There are many safety issues regarding upcoming obstacles transmitted over the CB radio by your trail guides. It is required that each vehicle has a working CB radio. You will also learn interesting facts about the area - history, local plant and wildlife, as well as exciting stories.
- Participant Jeep tire size shall not exceed 37". If your tires exceed 37 inches, you will be turned away at registration, will not be allowed to attend the Jamboree, or receive a refund!
- Snowplow frames are not allowed.
- We recommend removing running boards and steps (both factory and aftermarket) if you are planning to participate in higher rated trails.
- All open-topped vehicles, including older models (CJs, Scramblers and Willy's), are required to have roll bars.
- A tow strap with looped ends is recommended. **Straps with metal hooks are not allowed.**
- A full-size spare tire (or comparable) is mandatory! A space-saver spare (donut) just won't do.
- Your Jeep must be street legal with a license plate.

Will my Jeep be going through water?

Some Jamborees may have water crossings and water holes. Many of these crossings and holes offer a bypass, if you decide to "go around". It is very important to watch and listen to your trail guide.

When driving in deep water, **go very slowly!** If your engine gets wet and stalls, **do not** try to start it as you may cause serious engine damage.

For additional tips on water crossings, please refer to your copy of *Mark A. Smith's Guide to Safe, Common Sense Off-Road Driving*, which is available for download on jeepjamboreeusa.com.

What should I bring?

- A basic tool kit is recommended.
- A First aid kit recommended!
- A Tire gauge recommended!
- An ice chest full of your favorite non-alcoholic beverages. It is important to stay hydrated!
- A full tank of gas prior to General Attendance Meeting! You will not have time to fuel up after the meeting.
- Trail snacks and a chair/blanket for the lunch stop.
- Flashlight
- Camera
- Binoculars
- Insect repellent and sun block
- Medications
- Toilet paper and Zip-lock bags for tissue disposal
- Hand sanitizer
- Rain jacket and warm clothing.

A note on land usage...

Many Jeep Jamboree USA events are held on private lands with the consent of landowners, or on public lands through special use permits. In some cases, Jamboree trail groups are granted access to trail areas, which are closed to all other vehicular access during the year.

Please be aware that access to these trail areas is allowed only by guided JJUSA groups during the scheduled Jeep Jamboree trail rides. Individual Jamboree guests returning later to drive in these areas on their own do so in violation of JJUSA's land use agreements and endanger future Jamboree usage of these restricted trails as well as being removed from the Jamboree without a refund.

Thank you for your cooperation in assuring Jamboree access to some of America's most spectacular backcountry.

Trail Conditions

While we trim back as much brush as possible, we are limited by Federal, Tribal and Private landowners to the amount acceptable by each entity.

Frequently Asked Questions

What does the Jeep Jamboree fee cover?

- Your fee covers all necessary permits, land-use fees, experienced guides for the entire trip, an event t-shirt and three meals on both Friday and Saturday ("Select" Jamborees include evening meals only). Please note that meals vary for each Jeep Jamboree. Regretfully, no accommodations can be made for special diets or dietary restrictions.
- Also included are an official Jeep Jamboree USA Dash Plaque and access to some of the finest trails in America – many of which are only available through this program. Each jamboree also features a giveaway for chances to win great prizes from our sponsors.
- All participants must be officially registered. Partial trips or "meal only" options are not offered. There are no spectators allowed.

Who can I bring?

Whoever you want! As long as they each have a required seat belt in your jeep 4x4. Bringing pets is strongly discouraged. If your pet must attend, you must submit a pet waiver during registration.

Name Badges

When you register on-site, you will be given one name badge per participant. Please wear your name badge while at the event as it is verification of your registration.

Get connected!

Join the discussion group for just one or multiple Jeep Jamborees on Facebook. This is a great way to start conversing with fellow participants and trail guides before the Jamboree. Ask questions, share information and photos before, during and after your great adventure. Click on discussion groups on the Jeep Jamboree USA homepage and join for free.

Can I bring my Jeep Liberty, Cherokee, Grand Cherokee, Renegade or Commander?

Of course! All new Jeep 4x4 vehicles with a 4-lo transfer case are Trail Rated® and are tested on demanding 4x4 trails. Your Jeep four-wheel-drive vehicle is required to be in good condition, with good tires, brakes, and seat belts. In addition, we require prior approval for larger Jeep 4x4s, such as Grand Wagoneers and J-series pickups. Jeep Jamboree USA reserves the right to refuse participation to any applicant whose vehicle exceeds size restrictions.

Where do I sleep on a Jeep Jamboree?

Participants are responsible for arranging their own lodging. A list of accommodations is included in this event itinerary. Be sure to mention you're attending a jeep jamboree when making your reservation.

Could my vehicle be damaged on a Jamboree?

Every effort is made by Jeep Jamboree USA to make the trails as safe as possible. Participants are advised to closely follow instructions given by trail guides, spotters, and Jeep Jamboree USA. However, there is the possibility of damage to your vehicle when traveling rough terrain. Any damage is the owner's responsibility. Jamborees with higher difficulty ratings are more likely to encounter terrain that may contribute to vehicular damage. You are required to sign a waiver form.

Are Jeep Jamborees safe?

Our trail guides are trained to put your safety first. If they ask you to refrain from any activity, to avoid specific trails or areas, which jeopardize you or your fellow participant's safety or is not authorized for our use, please follow their directions. Jjusa does not authorize or promote any night runs. As agreed to in your waiver, all participants agree to wear his or her respective seat and shoulder belts. If a trail guide asks you to wear your seat belt and you do not comply, violators will be removed from the jeep jamboree, money will not be refunded, and those involved will be banned from all future jeep jamborees.

What is the policy on alcoholic beverages?

No occupants of vehicle will possess or consume alcohol while on the trails. Doing so means immediate expulsion. Money will not be refunded, and those involved will be banned from all future jeep jamborees.

What payment methods are accepted ?

Each Jeep Jamboree offers an assortment of clothing and gear for you and your Jeep. We accept both cash and credits cards on-site, but checks are not allowed.

What are the rates for children 5 & under?

Children 5 and under are not charged to participate with you in a jamboree. Complimentary meals for children 5 and under will be provided.

Can I pay for my Jamboree on-site?

Please note that all registrations must be paid in advance. C.O.D.'s are not permitted and we cannot accommodate new on-site registrations of vehicles or adding, deleting, or changing of passengers.

Frequently Asked Questions

What is the refund policy?

We realize that unexpected events such as work conflicts, mechanical problems and illnesses may cause you to cancel your trip. However, we have many business partners that we pay deposits based on a preliminary participant count. Therefore, in order to limit the impact of cancellations, the following penalties apply to your refund should you choose to cancel:

Days Prior To Trip Date

Reservation to 60 days

59 Days to 30 days

29 Days to 15 days

14 Days to trip date

Transfer fee*

Cancellation Fee

\$125 Classic

\$75 Select

50% of registration fee

75% of registration fee

no refund

\$100

**Transfers from one trip to another must be done in the same calendar year and at least 14 days prior to the event.*

Can I attend for one day or just purchase meals?

- Registrations are for the **same person (driver or passengers) for both days.**
- Passengers may not be swapped (for example, one person on one day; another person another day).
- We base our name badges, meals and waivers on the same person for both days. We do not permit partial (one-day only) registrations (refunds are not given for days not used), nor do we sell a "meals only" option for those who are not on the trail, but wish to join participants for meals.

Due to unforeseen circumstances all trips, events and trails are subject to change or cancellation without advance notice.
