POLICIES & REMINDERS FOR ALL 2025 JEEP JAMBOREES

EVENT WAIVER

A fully completed and signed [Release of Liability Waiver](#) is required for all occupants of your Jeep and must be brought with you to on-site registration. A parent or the minor's legal guardian must sign and date a waiver for passengers under 18 years old. Your properly completed [Release of Liability Waiver](#), is required before you may receive your event credentials.

NEW ON-SITE REGISTRATIONS & CHANGES ARE NOT ACCEPTED

All new registrations of vehicles as well as adding, deleting, or changing passengers must be completed (14) fourteen days prior to the Jamboree date. Please refer to the refund and transfer policy on the last page of this itinerary.

MAXIMUM TIRE SIZE

Participant Jeep tire size is not to exceed 40". If you exceed the tire limitations you will be turned away at registration, will not be allowed to attend, and will not receive a refund.

VEHICLE MODIFICATIONS

- Seat belts are required in all vehicles for all occupants.
- Maximum suspension lift allowed is 6".
- Your Jeep must be street legal, registered and insured.
- Buggy-style Jeeps are not allowed.

If you have questions regarding the acceptability of your vehicle, please contact your Adventure Consultant. If you do not meet the above conditions, you will be turned away at registration, will not be allowed to attend, and will not receive a refund. Admission of highly modified Jeeps without prior approval is subject to the discretion of the Jeep Jamboree Event Staff.

GMRS-COMPATIBLE RADIOS ARE REQUIRED

A working GMRS-compatible radio is mandatory for all Jeep Jamboree events. Please see the last page of this itinerary or visit <https://link.jeepjam.com/radios> for more information.

DRONE POLICY

Many of the land owners, federal and local agencies, etc. prohibit the use of drones. Most drones require you to have a Part 107 license if you are flying over people or publish videos. Many times our stops are for bathroom breaks which are inappropriate times for drone flights. If you may legally fly your drone, permission is still required from the guides on your trail and you must not cause any delays or disruptions as determined by the guides or staff. You are responsible for any damage, fines, penalties, and/or legal action incurred in the operation of your drone.

KNOW BEFORE YOU GO

The Jeep Jamboree USA Off-Road Driving Tips booklet is the ultimate guide to safe, common sense off-road driving. View the guide at <https://link.jeepjam.com/drivingtips>

FOLLOW THE FLOW

When you arrive at a Jeep Jamboree, you must complete these steps in this order:

Vehicle Evaluation → Registration → Trail Sign-Up

You will not be permitted to sign-up for trails until you have completed Vehicle Evaluation and Registration.

PHOTO ID REQUIRED AT REGISTRATION

The driver of record is required to show a photo ID when presenting your waiver and picking up your registration packet. The names on the ID and registration must match or you will be turned away without a refund.

NAME BADGE

Each person must wear their name badge throughout the entire Jamboree. A name badge is required for meals and must be presented whenever requested by a guide or staff member.

TRAIL STICKERS

Trail stickers provided at trail sign-ups must be displayed on your windshield prior to departing for any off-road trail ride.

TRAIL CONDITIONS

Trail conditions can vary widely between trails and even on the same trail on different days. Factors such as weather, other Jeepers, and the line you choose all have an effect on the trail and how your Jeep will traverse it. Rainfall, even from days prior, may increase trail ratings 1 or 2 points. When in doubt, ask a Jeep Jamboree Trail Guide for guidance. Please note that Federal, Tribal and Private landowners may limit the amount of brush we are able to trim back on a trail.

WEATHER CONDITIONS

Weather conditions can be dynamic at a Jeep Jamboree. We recommend you look at a 10-day forecast of weather conditions. Be sure to check the weather for all areas listed in the itinerary as different locations may have very different temperatures.

NEW FOR 2025 – SAFETY EQUIPMENT

A fire extinguisher and first aid kit are highly recommended.

NEW FOR 2025 – REQUIREMENTS FOR WINCH OWNERS

Winch owners are required to have an appropriately rated tree saver and soft shackle in your Jeep.

SPECIAL THANKS

Seth Stebbins - Coordinator

Bighorn Mountains Trail Guides

Elk View Inn Staff

Steve & Heather Joseph – Elk View Inn Owners

A MESSAGE FROM YOUR BIGHORN MOUNTAINS COORDINATOR...

We are looking forward to sharing what we call our “back yard” with you. The Bighorn Mountains Jeep Jamboree will take you to some of America’s most picturesque areas. We offer this event as an off-road scenic tour. There will be some obstacles that will test the driving capabilities of both you and your Jeep, however you will mostly remember the wide-open scenery of this beautiful area.

This Jamboree will provide the amateur and experienced photographer with a backdrop for magnificent camera shots while you navigate in and around boulders, trees and mountain vistas. The Bighorn Mountains are conveniently located near other points of interest.

Before or after the Bighorn Mountains Jamboree plan on a side trip to the site of the Battle of Little Bighorn, Yellowstone National Park, Devil’s Tower, or Custer State Park. All of these historic and geographical marvels are within 4-5 hours of the Bighorn Mountains Jeep Jamboree. This is not city driving; it is wide open spaces that will keep you in awe of the surroundings you are driving through.

Make this your trip of a lifetime based around a Jeep Jamboree. Plan now for your Jeep Jamboree Vacation Get Away. We look forward to seeing you!

Sincerely – Seth Stebbins and the Bighorn Mountains Trail Guides

TRAIL DESCRIPTIONS

Please keep in mind that trail options can change at the last minute. The trails listed are possible choices but are not guaranteed.

Freezeout • Rated 3–4

This trail is a sightseeing dream. Freezeout is a trail that is for the stock jeep, relaxed driver or beginning jeeper. The trail leads you near 10,000 feet to a spectacular view of the lovely mountain town in Wyoming named Dayton. The trail can have a bit of a washout to experience some fun jeeping, on a relaxed trail while touring the Bighorn mountains, giving you a bit of a feel for what your jeep vehicle is capable of all the while maintaining an easy pace.

WoodChuck • Rated 4

Woodchuck is a scenic trail that takes you to amazing rock outcroppings, through meadows and ending with a piece of Wyoming history called the Tie Flume, this trail is a photographer's mecca. During your time on woodchuck you will experience rocks, water crossings and reaching an elevation of around 9,800 feet all the while enjoying Wyoming scenery, livestock and wildlife- a moose or two have been known to frequent Woodchuck. There has even been a sighting or two of working dogs moving their flock of sheep through the breath taking meadows and valleys.

Wilderness • Rated 5–6

Wilderness trail begins in the national forest, with the natural beauty of the Bighorn National forest known for its dense woods, wildlife, variety of views and rocks. The trail ends with an abandoned mining operation. Rather than ascending up the mountain you will find yourself descending the mountain on a trail that has a little bit of everything. Wilderness has water crossings, mud, rocks and narrow places that allow for a close up of what your jeep vehicle can really do.

Shell • Rated 6–7

Shell is a trail that has much to offer for everyone, named for the splendid Shell Creek Reservoir. There are obstacles, water crossings and breathtaking Wyoming landscapes that are a must see. Although there are by-passes this trail offers challenges and a thrill that only the Bighorn Mountains can provide. While wheeling on Shell there are moments of off-camber, mud (depending on the previous winter and current weather), boulders and the monument rock known as Kissing Rock. Kissing Rock is a Shell right of passage that is sought after year and again. Shell is full of confidence boosting obstacles that are a tribute to what a jeep can do all the while witnessing awe inspiring countryside.

299 • Rated 6–7

299 is a crawler's playground. This trail is nestled in the trees with many obstacles that require at least one locker and 35" tires. You will get to experience the ever-satisfying tire squish on this challenging trail. The trail is narrow and full of rocks that offer a query especially when weather gets interesting. The old saying goes: "Don't like the weather in Wyoming? Wait a minute and it will change."

TRAIL RATING SYSTEM

Every Jamboree trail is rated from 1 (easiest) to 10 (the most difficult). These ratings are based on the overall trail, not just on one or two tough spots. Rain can increase ratings by one or two points. Please remember, all vehicles are subject to vehicle check prior to trail departure. Numerically higher rated Jamborees are more likely to result in vehicular damage.

1-2 Obstacles and terrain are relatively easy to navigate. In optimum weather conditions, some trails may not require continual use of four-wheel drive (4WD).

3-5 Moderately demanding. Challenge for novice drivers. Obstacles may include: mud holes, boulders, and streams. Requires 4WD with 4-LO.

6-7 Demanding. Challenge for most skill levels. Mud holes get deeper, boulders get larger, and climbs get steeper. Requires 4WD with 4-LO.

8-9 Very demanding. Likelihood of getting stuck is high. Mud holes may be deep and rock climbing is more arduous. Lifts and lockers are helpful. Requires 4WD with 4-LO.

10 Extremely demanding. Reserved for the toughest off-road trip in the U.S.A. – the Rubicon Trail.

Requires 4WD with 4-LO, front and rear lockers, skid plates, rock rails and an aftermarket rear differential cover.

Rubicon Trail Jeep Jamboree is limited to TJ, JK, JL and JT models only without prior approval. Jeep Renegade, Patriot, Compass, Liberty, Cherokee, Grand Cherokee, Commanders, and Wagoneers are not allowed.

During registration you will have the opportunity to discuss the trails, your driving experience, and Jeep capabilities with the trail guides. The guides will work with you to select appropriate trails. Rain may increase trail ratings 1 or 2 points, especially with street tires.

PLEASE TREAD LIGHTLY!

Travel responsibly on designated roads and trails or in permitted areas.

Respect the rights of others including private property owners and all recreational trail users, campers and others to allow them to enjoy their recreational activities undisturbed.

Educate yourself by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely.

Avoid sensitive areas such as meadows, lakeshores, wetlands and streams, unless on designated routes. This protects wildlife habitat and sensitive soils from damage.

Do your part by leaving the area better than you found it, properly disposing of waste, minimizing the use of fire, avoiding the spread of invasive species, restoring degraded areas, and joining a local enthusiast organization.

A NOTE ON LAND USAGE

Many Jeep Jamboree USA events are held on private lands with the consent of landowners, or on public lands through special use permits. In some cases, Jamboree trail groups are granted access to trail areas which are closed to all other vehicular access during the year.

Please be aware that access to these trail areas is allowed only by guided Jeep Jamboree USA groups during the scheduled Jeep Jamboree trail rides. Individual Jamboree guests returning later to drive in these areas on their own do so in violation of Jeep Jamboree USA's land use agreements and endanger future Jamboree usage of these restricted trails as well as being removed from the Jamboree without a refund.

Thank you for your cooperation in assuring Jamboree access to some of America's most spectacular backcountry.

WHAT ARE THE REQUIREMENTS FOR MY JEEP?

- **Tow points are *MANDATORY!*** Tow points may include:
 - Tow hooks properly mounted to the frame with grade six or grade eight bolts according to official Mopar installation procedures.
 - Draw bars and receiver hitches
 - Aftermarket bumpers with manufacturer installed clevis or D-ring anchor.*If you do not have tow points, you may be turned away at registration without a refund.*
- **A GMRS radio is *REQUIRED!*** There are many safety issues regarding upcoming obstacles transmitted over the radio by your trail guides. You will also learn interesting facts about the area - history, local plant and wildlife, as well as exciting stories.
- Your Jeep must be street legal including a license plate and proof of insurance.

- Participant Jeep tire size shall not exceed 40". If your tires exceed 40 inches, you will be turned away at registration, will not be allowed to attend the Jamboree, or receive a refund!
- Seat belts are required in all vehicles for all occupants.
- Snowplow frames are not allowed.
- We recommend removing running boards and steps (both factory and aftermarket) if you are planning to participate in higher rated trails.
- All open-topped vehicles, including older models (CJs, Scramblers and Willys), are required to have roll bars.
- A tow strap with looped ends is recommended. **Straps with metal hooks are not allowed.**
- A full-size spare tire is mandatory!

FREQUENTLY ASKED QUESTIONS

ARE JEEP JAMBOREES SAFE?

Our trail guides are trained to put your safety first. If they ask you to refrain from any activity or to avoid specific trails or areas, you must follow their directions. Jeep Jamboree USA does not authorize or promote any night runs. You must wear your seat and shoulder belts. If a Trail Guide asks you to wear your seat belt and you do not comply, you will be removed from the Jeep Jamboree without a refund and banned from Jeep Jamborees.

WILL MY JEEP BE GOING THROUGH WATER?

Some Jamborees may have water crossings and mud holes. Many of these crossings and holes offer a bypass. It is very important to watch and listen to your trail guide. When driving in deep water, **go very slowly!** If your engine gets wet and stalls, **do not** try to start it as you may cause serious engine damage. For additional tips on water crossings and many other off-road situations, please refer to your copy of *Jeep Jamboree USA Off-Road Driving Tips*, available at <https://link.jeeppjam.com/drivingtips>

YOU MUST WEAR YOUR NAME BADGE

When you register on-site, you will be given one name badge per participant. Please wear your name badge while at the event as it is verification of your registration, your admission to the trails and meals, and helps everyone get to know each other.

GET CONNECTED WITH OUR FACEBOOK GROUPS

Join one or more of the Jeep Jamboree discussion groups on Facebook. Ask questions, share information and photos before, during and after your great adventure.

WHAT SHOULD I BRING?

- A basic tool kit, first aid kit, tire gauge, rain jacket, and clothing for all weather conditions are highly recommended.
- An ice chest full of your favorite non-alcoholic beverages. It is important to stay hydrated!
- A full tank of gas prior to General Attendance Meeting as you will not have time to fuel up after the meeting.
- Trail snacks and a chair/blanket for the lunch stop.
- Insect repellent, Sun Block, Medications, Hand Sanitizer, Flashlight, Camera, Binoculars
- Toilet paper and Zip-lock bags for tissue disposal

MAY I BRING MY PET?

Bringing pets is strongly discouraged. If your pet must attend, you must submit a pet waiver during registration.

WHAT IS THE POLICY ON ALCOHOL, DRUGS, ETC.?

No occupants of the vehicle will possess or consume alcohol, non-prescription drugs, or be under the influence of any substance while on the trails. Doing so means immediate expulsion without a refund and those involved will be banned from all future Jeep Jamborees.

COULD MY VEHICLE BE DAMAGED ON A JAMBOREE?

Every effort is made by Jeep Jamboree USA to make the trails as safe as possible. You are advised to closely follow instructions given by Jeep Jamboree Trail Guides. Jamborees with higher difficulty ratings are more likely to encounter rough and challenging terrain that may contribute to vehicular damage. Any damage is the owner's responsibility.

GMRS RADIO, CHANNEL, AND FREQUENCY INFO

IF YOU DON'T HAVE A GMRS RADIO YET

Your easiest and best option is to purchase one of the recommended Midland radios. These quality radios are easy to use and are available at <https://link.jeepjam.com/radios> and at Jeep Jamborees.

RADIO DIFFERENCES AND FREQUENCIES

In late 2017, the FCC set standards for FRS/GMRS channel numbers and frequencies. Any FCC approved radio manufactured after October of 2017 will match the channels in the chart and work for your Jeep Jamboree.

FREQUENCIES AND POWER

FRS and GMRS use the same channels/frequencies. FRS runs at lower power while GMRS runs at higher power.

LICENSING

Operating a GMRS radio requires a valid license. Any radio using the shared FRS/GMRS frequencies that is able to transmit above 2 Watts of power is considered a GMRS radio and requires a license.

WHY GMRS OVER FRS OR CB?

With FRS handhelds you may hear others on the trail, but they may not hear you. GMRS has more power, meaning you can transmit farther. GMRS offers more reliability, usability, and quality over a CB radio.

Frequency	FRS/GMRS Channel	FRS Power	FRS Bandwidth	GMRS Power	GMRS Bandwidth
462.5625 MHz	1	2 W	12.5 kHz	5 W	20 kHz
462.5875 MHz	2	2 W	12.5 kHz	5 W	20 kHz
462.6125 MHz	3	2 W	12.5 kHz	5 W	20 kHz
462.6375 MHz	4	2 W	12.5 kHz	5 W	20 kHz
462.6625 MHz	5	2 W	12.5 kHz	5 W	20 kHz
462.6875 MHz	6	2 W	12.5 kHz	5 W	20 kHz
462.7125 MHz	7	2 W	12.5 kHz	5 W	20 kHz
Channels 8-14 are low power (.5 watt) channels and are not used by Jeep Jamboree and some high power radios					
462.5500 MHz	15	2 W	12.5 kHz	50 W	20 kHz
462.5750 MHz	16	2 W	12.5 kHz	50 W	20 kHz

TRANSFERS, REFUNDS, CANCELLATIONS, AND ADDING PASSENGERS

OUR TRANSFER POLICY

A transfer allows the **original purchaser** to transfer their registration from one trip to another, dependent on availability, at no charge.

- Transfers must take place in the same calendar year and at least 14 days prior to the event.
- **Transfer or sale of your registration to another person is prohibited and will result in a cancellation without a refund.**
- If you are unable to attend, you should cancel your registration. Your spot will be released to those on the waiting list. **You may not transfer your registration to a third party.**

OUR REFUND POLICY

We understand things come up. As we approach our events, we incur expenses we cannot recover. As such, the following refund policy applies to all Jeep Jamborees:

- **30 days or more before your Jeep Jamboree**
 - \$125 cancellation fee for Classic Jamborees
 - \$100 cancellation fee for Select Jamborees
 - \$350 cancellation fee for domestic Signature, Adventure, and Expedition Jamborees
- **29 days to 15 days** – 50% of your total will be refunded
- **14 days to trip date** – No refund

HOW DO I CANCEL MY REGISTRATION?

Canceling your registration is quick and easy via your online account at <https://jeepjamboreeusa.com/my-account/>. Sign-in with the email address you used to register and then cancel the trip you are unable to attend. You may also email the registration team at registration@jeepjam.com. This method is typically slower than the online method.

WHAT IF A SPECIFIC JEEP JAMBOREE IS CANCELED?

Though rare, from time to time, a Jeep Jamboree may have to be canceled. For **most** of our events, you will be given the option to receive a full refund or transfer to another event that has openings. For **some** Jeep Jamborees, we may deduct up to a 15% fee from your refund to offset unrecoverable expenses.

HOW DO I ADD OR CHANGE PASSENGERS?

Adding or changing passengers is easy via your online account at <https://jeepjamboreeusa.com/my-account/>. Sign-in with the email address you used to register and make the changes you desire. You may also email the registration team at registration@jeepjam.com. This method is slower than the online method. All changes must be made 14 days prior to your trip.

DUE TO UNFORESEEN CIRCUMSTANCES ALL TRIPS, EVENTS, AND TRAILS ARE SUBJECT TO CHANGE OR CANCELLATION WITHOUT ADVANCE NOTICE.
