A MESSAGE FROM YOUR COORDINATOR

I am glad you will be attending the Cullman/Stony Lonesome Jeep Jamboree! Stony Lonesome ORP and our trail guides are working to create new trails for this event and to make it a great off road experience for you. As a special treat, we have the entire park to use, not just the 4x4 trails. We are constantly looking at ways to improve our Jamboree and utilizing all of the trail system that Stony Lonesome has. Using the **whole** Park is one of our ways to show you a great time!.

Registration, vehicle evaluation and trail sign-ups will be at Stony Lonesome ORP. Stay in touch with any changes through our Discussion Group Page for the Cullman/Stony Lonesome Jeep Jamboree.

TRAIL DESCRIPTIONS (Trails used are dependent on weather and all are not listed here)

RUT ROLL TRAIL (Rated 3-5) It has your 4 basic food groups for a great trail ride. Rocks, trees, mud, water. If you are inexperienced with trail riding this a great trail to learn on however, this trail will put your driving skills to the test as you negotiate tight twisting, up and down trails with a rock or two thrown in for good measure! And as the name implies....there are one or two "Ruts" that you will have to cross or dive through or should I say "drive" through, but never fear the guides who are on this trail are ready to jump out and help spot you on the tough spots and answer any questions you have on trail riding!

SOUTHERN COMFORT (Rated 5-6) This trail has a nice mix of ravines, rocks, hills, wooded areas, and obstacles. We will be using the southern part of the park which will also include a bit of mud along with a few rocks thrown in for good measure! If you happen to look at a park map we will be tackling Square Peg Round Hole, Lunchtime, and Ledges to name a few. This trail is rated 5-6 and 33" tires and one locker recommended.

LOTZA ROKZ (Rated 6-7) This trail will be a challenge if you like a lot of rocks on your trails. But wait that's not all! You will experience some serious off camber experiences and twisties as you test your skills, nerves, and your jeep as you move forward. There will be some uphill climbs and some scenic overviews from Mt. Baldy from the main trail. This fun filled trail has been "Buckeye approved" This trail is rated a Strong 6 and will require at least one locker and at least 33 inch tires

GRIZZLY TRAIL (Rated 8-9) We have the use of the whole park and will be grouped together for the whole jamboree again this year. We have trails like Yeti Bottoms, Rock Creek, Round Peg – Square Hole, and some that haven't been named yet! You will be hitting a

lot of the hard tight off-camber spots in the park and will most definitely have a pucker-factor or two during your run! As with a great trail, you will be doing some steep ups and downs!!! This trail will show you the ins and outs of advanced off roading, proper use of most of the equipment you have and possibly pulling your own jeep out! 33" tires minimum, 35" or 37" tires highly

recommended!!! Lockers are required. Armor is also recommended!!

We have 3 Jeep Badge of Honor Trails at Cullman Stony Lonesome Jeep Jamboree

TRAIL USAGE AND INFORMATION

WATER CROSSINGS

Some Jamborees may have water crossings and water holes. Many of these crossings and holes offer a bypass, if you decide to "go around". It is very important to watch and listen to your trail guide.. When driving in deep water, GO VERY SLOW! If your engine gets wet and stalls, DO NOT try to start it as you may cause serious engine damage. For additional tips on water crossings, please refer to your copy of "Mark A. Smith's Guide to Safe, Common Sense Off-Road Driving", which is available to be downloaded on our website.

A NOTE ON LAND USAGE

Many Jeep Jamboree USA events are held on private lands with the consent of landowners, or on public lands through special use permits. In some cases, Jamboree trail groups are granted access to trail areas, which are closed to all other vehicular access during the year. Please be aware that access to these trail areas is allowed only by guided JJUSA groups during the scheduled Jeep Jamboree trail rides. Individual Jamboree guests returning later to drive in these areas on their own do so in violation of JJUSA's land use agreements and endanger future Jamboree usage of these restricted trails as well as being removed from the Jamboree without a refund. Thank you for your cooperation in assuring Jamboree access to some of America's most spectacular backcountry.

Also, please note that while we trim back as much brush as possible, we are limited by Federal, Tribal and Private landowners to the amount acceptable by each entity.

PLEASE TREAD LIGHTLY!

Travel responsibly on designated roads and trails or in permitted areas.

Respect the rights of others including private property owners and all recreational trail users, campers and others to allow them to enjoy their recreational activities undisturbed.

Educate yourself by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely.

Avoid sensitive areas such as meadows, lakeshores, wetlands and streams, unless on designated routes. This protects wildlife habitat and sensitive soils from damage.

Do your part by leaving the area better than you found it, properly disposing of waste, minimizing the use of fire, avoiding the spread of invasive species, restoring degraded areas, and joining a local enthusiast organization.

TRAIL RATINGS

Every Jamboree trail is rated from 1 (easiest) to 10 (the most difficult). These ratings are based on the over trail, not just on one or two tough spots. Rain can increase ratings by one or two points. Please remember, all vehicles are subject to vehicle check prior to trail departure. Numerically higher rated Jamborees are more likely to result in vehicular damage.

1-2 Obstacles and terrain are relatively easy to navigate. *In optimum weather conditions, some trails may not require continual use of four-wheel drive (4WD).*

3-5 Moderately demanding. Challenge for novice drivers. Obstacles may include: mud holes, boulders, and streams. Requires 4WD with 4-LO.

6-7 Demanding. Challenge for most skill levels. Mud holes get deeper, boulders get larger, and climbs get steeper. Requires 4WD with 4-LO.

8-9 Very demanding. Likelihood of getting stuck is high. Mud holes may be deep and rock climbing is more arduous. Lifts and lockers are helpful. Requires 4WD with 4-LO.

10 Extremely demanding. Reserved for the toughest off-road trip in the U.S.A. – the Rubicon Trail. Requires 4WD with 4-LO, front and rear lockers, skid plates, rock rails and an aftermarket rear differential cover. Rubicon Trail Jeep Jamboree is limited to YJ's, TJ's and JK models only. *Jeep Renegade, Patriot, Compass, Liberty, Cherokee, Grand Cherokee, or Commanders are not allowed.*

During registration participants will have the opportunity to discuss the trails, their driving experience and vehicle capabilities with the trail guides. Guides will work with participants for trail placement.

RAIN MAY INCREASE TRAIL RATINGS 1 OR 2 POINTS, ESPECIALLY WITH STREET TIRES.

FRIENDLY REMINDERS – Before and During Your Trip

BEFORE YOU LEAVE

Waivers will be collected at the Jamboree during registration. Please read, sign and bring the completed waiver with you. All passengers in your Jeep vehicle must sign and date this waiver. A waiver for participants under the age of 18 years old must be signed and dated by a parent or the minor's legal guardian. If waiver is correctly signed and dated, passengers do not need to be present at registration.

REGISTRATIONS, ADDING, DELETING, OR CHANGING OF PASSENGERS

In order to give accurate counts to our caterer for the meals, pay for land use and permit fees, all new registrations of vehicles, adding, deleting or changing of

passengers must be completed **(2) two weeks** prior to the Jamboree date. **We will no longer be able to accommodate any onsite registrations. This is for both adding of Jeeps or passengers.** Please note that registration prices are per person, not per Jeep vehicle.

COULD MY VEHICLE BE DAMAGED ON A JAMBOREE?

Every effort is made by Jeep Jamboree USA to make the trails as safe as possible. Participants are advised to closely follow instructions given by trail guides, spotters, and Jeep Jamboree USA. However, there's the possibility of damage to your vehicle when traveling rough terrain. Any damage is the owner's responsibility. Jamborees with higher difficulty ratings are more likely to encounter terrain that may contribute to vehicular damage. Participants are required to sign a waiver form.
