ABOUT MOAB EXPEDITIONS

Jeep Jamboree USA Moab Expeditions are a private guide service for Jeep owners who want to hone their off-roading skills and experience Moab with the guides who know it best. The Moab Expeditions will be limited-space excursions offering the chance to enjoy some of Moab's most iconic trails with the assistance of some of our most experienced and knowledgeable trail guides who have spent years becoming authorities on this area.

To create a truly personal experience, these trips will be limited to a maximum of 8 vehicles, enabling attendees to receive personalized guidance and instruction in a unique casual setting. With a small group such as this, participants will have an opportunity to spend valuable time learning how to use their Jeep to traverse some of the world's most famous trails, while having individualized attention from our expert guides at the helm.

Due to the limited number of people in attendance, you'll come away with not only a unique experience, but leave with valuable knowledge of your vehicle's abilities to continue exploring other off-roading adventures.

POSSIBLE TRAILS Cliffhanger · Poison Spider · Kane Creek · Metal Masher · Hells Revenge · Fins & Things. Trail options may change at the last minute due to conditions, traffic, participant requests, etc. The trails listed are possible choices but are not guaranteed.
