22

26TH NORTHWOODS

MOLE LAKE, WISCONSIN • JULY 14 - 16, 2022

TRAIL RATING 2 - 6

Policies & Reminders For All 2022 Jeep Jamborees

Event Waiver

- You are required to complete a **Release of Liability Waiver** for all occupants of your Jeep 4x4. You must bring it with you to on-site registration.
- A printed, signed, and dated **Release of Liability Waiver** is required for each participant attending a Jeep Jamboree USA event.
- All passengers in your Jeep 4x4 must sign a **Release of Liability Waiver**. A parent or the minor's legal guardian must sign and date a waiver for participants under the age of 18 years old.
- If you forget your signed **Release of Liability Waiver**, all occupants of your vehicle must be present at registration to sign a new waiver before you can receive your event credentials.

New On-Site Registrations Are Not Accepted

All new registrations of vehicles as well as adding, deleting, or changing passengers must be completed (10) ten days prior to the Jamboree date. Please refer to the refund and transfer policy on the last page of this itinerary or www.JeepJamboreeUSA.com

Maximum Tire Size

Participant Jeep tire size is not to exceed 40". If you exceed the tire limitations you will be turned away at registration and will not be allowed to attend the Jamboree or receive a refund.

Vehicle Modifications

- Seat belts are required in all vehicles for all occupants.
- Maximum suspension lift allowed is 6".
- Your Jeep must be street legal with valid registration and insurance.
- Buggy-style Jeeps are not allowed.

If you have questions as to whether or not your vehicle is acceptable, please contact your Adventure Consultant. If you exceed the lift limitations or do not meet original frame and body requirements, you will be turned away at registration and will not be allowed to attend the Jamboree or receive a refund. Admission of highly modified Jeeps without prior approval is subject to the discretion of the attending Jeep Jamboree Event Staff.

GMRS Radios are Required

A working GMRS radio is mandatory for all Jeep Jamboree events. The recommended radios are available at: <https://link.jeepjam.com/radios>. See the last page of this itinerary or visit <https://link.jeepjam.com/radios> for more information.

Follow the Flow

When you arrive at a Jeep Jamboree, you must complete these steps in this order: **Vehicle Evaluation → Registration → Trail Sign-Up** You will not be permitted to sign-up for trails until you have completed Vehicle Evaluation and Registration.

Name Badge

Each participant must wear their name badge throughout the entire Jamboree.

Trail Stickers

Trail stickers provided at trail sign-ups must be displayed on your windshield prior to departing for any off-road trail ride.

Trail Conditions

Trail conditions can vary widely between trails and even on the same trail on different days. Factors such as weather, other Jeepers, and the line you choose all have an effect on the trail and how your Jeep will traverse it. Rainfall, even from days prior, may increase trail ratings 1 or 2 points. When in doubt, ask a Jeep Jamboree Trail Guide for guidance. While we trim back as much brush as possible, we are limited by Federal, Tribal and Private landowners to the amount acceptable by each entity.

Weather Conditions

Weather conditions can be dynamic at a Jeep Jamboree. We recommend you look at a 10-day forecast of weather conditions at weather.com or a similar site. Be sure to check the weather for all areas listed in the itinerary as different locations may have very different temperatures.

Know Before You Go

The Jeep Jamboree USA Off-Road Driving Tips booklet is the ultimate guide to safe, common sense off-road driving. View the guide at <https://link.jeepjam.com/drivingtips>

A message from your Northwoods Coordinator...

Your family adventure begins in the backwoods of Mole Lake, Wisconsin. The trails are varied, from mild to wild, with something for every Jeep. The two track roads that encompass the Sokaogon Chippewa tribal forestry lands, including Spirit Mountain, provide access to challenging rock crawling and hill traversing with plenty of sights to see, including secluded lakes in the heart of the Northwoods.

Come enjoy the scenery, the best guide staff ever, and the camaraderie of fellow Jeep owners. These trails are made possible by the volunteers of Wisconsin Off-Road Clubs, the state organization Wisconsin Coalition of 4Wheel Drives (WC4WD), and the land use of Sokaogon Chippewa tribal community. Be sure to join the Facebook Group for JJUSA - Northwoods. It is a great way to connect with other attending guests and keep up to date on any new information pertaining to the Jamboree.

Trail Descriptions

The Trail Guides have built a wide variety of trails to fit your skill level, adventurous side and your Jeep's capabilities. Whether two door or four door variety, we will do our best to accommodate both you and your Jeep.

101 Trail • Rated 2 • *Friday Only*

This trail is a trail designed for the first time Jeep off-road enthusiast, including a pleasantly challenging drive through the woods. Jeeps with no lift will do just fine. The trails will traverse the hills and valleys of the Mole Lake Reservation and will give you an appreciation for the beauty of the Wisconsin Northwoods. Become familiar with your Jeep while generally just having a fun adventure in the woods. Some minor challenges are to be expected. You may even find a need for your tow strap.

Green Trail • Rated 2-3

This trail contains numerous hills, some rocks, logs and some tight turns for all models of Jeeps. All terrain or mud terrain tires are recommended. Tire size 30"+ also recommended.

Emerald Trail • Rated 2-3

This trail contains numerous hills, some rocks, logs and some tight turns for all models of Jeeps. All terrain or mud terrain tires are recommended. Tire size 30"+ also recommended.

Blue Trail • Rated 3-4

This trail contains slightly above mild to wild terrain with more up graded challenges including off camber on hills, climbing rocks and maneuvering between the trees in the woods. Tire sizes 31" to 33" recommended. This is also a good fit for longer wheel based Jeeps. Lockers and lift is helpful, but not required.

Teal Trail • Rated 3-4

This trail contains slightly above mild to wild terrain with more up graded challenges including off camber on hills, climbing rocks and maneuvering between the trees in the woods. Tire sizes 31" to 33" recommended. This is also a good fit for longer wheel based Jeeps. Lockers and lift is helpful, but not required.

Red Trail • Rated 4-5

This trail contains intermediate to wild terrain including hills, rocks, tight turns between trees, off camber on side of hills to log climbing with never ending challenges to keep you on the edge of your seat. Tire sizes of 32" to 35", with all terrain or mud terrain tread pattern recommended to accommodate the never-ending articulation. Lockers and lift are recommended for safe maneuvering. Rock sliders are recommended; running board or steps are not recommended.

Raspberry Trail • Rated 4-5

This trail contains a variety of challenges that require advanced driving skills. It's a wild ride on adverse terrain that consists of hill climbs, log and rock traversing with mud and hairy off-camber obstacles. Rock sliders are recommended; running board or steps are not recommended. Raspberry requires 33"+ tires with rear lockers; front lockers recommended.

Orange Trail • Rated 5-6

This trail contains runs upon Spirit Mountain with several rock crawl and hill climb challenges as well as off camber hill accents and descents, tight turns between trees with unending articulation. Lift kit and lockers are required to participate on this trail. Rock sliders are recommended; running board or steps are not recommended. Tire sizes of 35" - 40" with all terrain, mud terrain tires required to limit under carriage damage.

Black Trail • Rated 5-6

This trail contains challenges for the highly skilled driver! Rock gardens and off camber runs are highlighted. Rock sliders are recommended; running board or steps are not recommended. 35"-40" tires are required as well as front and rear lockers to safely navigate the Black Trail.

Trail Rating System

Every Jamboree trail is rated from 1 (easiest) to 10 (the most difficult). These ratings are based on the overall trail, not just on one or two tough spots. Rain can increase ratings by one or two points. Please remember, all vehicles are subject to vehicle check prior to trail departure. Numerically higher rated Jamborees are more likely to result in vehicular damage.

- 1-2** Obstacles and terrain are relatively easy to navigate. In optimum weather conditions, some trails may not require continual use of four-wheel drive (4WD).
- 3-5** Moderately demanding. Challenge for novice drivers. Obstacles may include: mud holes, boulders, and streams. Requires 4WD with 4-LO.
- 6-7** Demanding. Challenge for most skill levels. Mud holes get deeper, boulders get larger, and climbs get steeper. Requires 4WD with 4-LO.
- 8-9** Very demanding. Likelihood of getting stuck is high. Mud holes may be deep and rock climbing is more arduous. Lifts and lockers are helpful. Requires 4WD with 4-LO.
- 10** Extremely demanding. Reserved for the toughest off-road trip in the U.S.A. – the Rubicon Trail.

Requires 4WD with 4-LO, front and rear lockers, skid plates, rock rails and an aftermarket rear differential cover.

Rubicon Trail Jeep Jamboree is limited to TJ, JK, JL and JT models only without prior approval. Jeep Renegade, Patriot, Compass, Liberty, Cherokee, Grand Cherokee, or Commanders are not allowed.

During registration you will have the opportunity to discuss the trails, your driving experience, and Jeep capabilities with the trail guides. The guides will work with you to select appropriate trails. Rain may increase trail ratings 1 or 2 points, especially with street tires.

Please Tread Lightly!

Travel responsibly on designated roads and trails or in permitted areas.

Respect the rights of others including private property owners and all recreational trail users, campers and others to allow them to enjoy their recreational activities undisturbed.

Educate yourself by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely.

Avoid sensitive areas such as meadows, lakeshores, wetlands and streams, unless on designated routes. This protects wildlife habitat and sensitive soils from damage.

Do your part by leaving the area better than you found it, properly disposing of waste, minimizing the use of fire, avoiding the spread of invasive species, restoring degraded areas, and joining a local enthusiast organization.

A Note on Land Usage

Many Jeep Jamboree USA events are held on private lands with the consent of landowners, or on public lands through special use permits. In some cases, Jamboree trail groups are granted access to trail areas which are closed to all other vehicular access during the year.

Please be aware that access to these trail areas is allowed only by guided Jeep Jamboree USA groups during the scheduled Jeep Jamboree trail rides. Individual Jamboree guests returning later to drive in these areas on their own do so in violation of Jeep Jamboree USA's land use agreements and endanger future Jamboree usage of these restricted trails as well as being removed from the Jamboree without a refund.

Thank you for your cooperation in assuring Jamboree access to some of America's most spectacular backcountry.

Frequently Asked Questions

What are the requirements for my Jeep?

- **Tow points are MANDATORY!** Tow points may include:
 - Tow hooks properly mounted to the frame with grade six or grade eight bolts according to official Mopar installation procedures.
 - Draw bars and receiver hitches
 - Aftermarket bumpers with manufacturer installed clevis or D-ring anchor.*If you do not have tow points, you may be turned away at registration without a refund.*
- **A GMRS radio is REQUIRED!** There are many safety issues regarding upcoming obstacles transmitted over the radio by your trail guides. You will also learn interesting facts about the area - history, local plant and wildlife, as well as exciting stories.
- Participant Jeep tire size shall not exceed 40". If your tires exceed 40 inches, you will be turned away at registration, will not be allowed to attend the Jamboree, or receive a refund!
- Seat belts are required in all vehicles for all occupants.
- Snowplow frames are not allowed.
- We recommend removing running boards and steps (both factory and aftermarket) if you are planning to participate in higher rated trails.
- All open-topped vehicles, including older models (CJs, Scramblers and Willy's), are required to have roll bars.
- A tow strap with looped ends is recommended. **Straps with metal hooks are not allowed.**
- A full-size spare tire is mandatory!
- Your Jeep must be street legal including a license plate and proof of insurance.

Will my Jeep be going through water?

Some Jamborees may have water crossings and water holes. Many of these crossings and holes offer a bypass, if you decide to "go around". It is very important to watch and listen to your trail guide. When driving in deep water, **go very slowly!** If your engine gets wet and stalls, **do not** try to start it as you may cause serious engine damage. For additional tips on water crossings, please refer to your copy of *Jeep Jamboree USA Off-Road Driving Tips*, which is available for download at <https://link.jeeppjam.com/drivingtips>

May I bring my pet?

Bringing pets is strongly discouraged. If your pet must attend, you must submit a pet waiver during registration.

What should I bring?

- A basic tool kit, first aid kit and tire gauge are all highly recommended.
- An ice chest full of your favorite non-alcoholic beverages. It is important to stay hydrated!
- A full tank of gas prior to General Attendance Meeting as you will not have time to fuel up after the meeting.
- Trail snacks and a chair/blanket for the lunch stop.
- Flashlight, Camera, Binoculars
- Insect repellent, Sun Block, Medications, Hand Sanitizer
- Toilet paper and Zip-lock bags for tissue disposal
- Rain jacket and warm clothing.

What is the policy on alcohol, drugs, etc.?

No occupants of vehicle will possess or consume alcohol, non-prescription drugs, or be under the influence of any substance while on the trails. Doing so means immediate expulsion. Money will not be refunded, and those involved will be banned from all future Jeep Jamborees.

Name Badges

When you register on-site, you will be given one name badge per participant. Please wear your name badge while at the event as it is verification of your registration and helps everyone get to know each other.

Get connected with our Facebook Groups

Join one or more of the Jeep Jamboree discussion groups on Facebook. Ask questions, share information and photos before, during and after your great adventure.

Could my vehicle be damaged on a Jamboree?

Every effort is made by Jeep Jamboree USA to make the trails as safe as possible. You are advised to closely follow instructions given by Jeep Jamboree Trail Guides. There is the possibility of damage to your vehicle when traveling rough terrain. Any damage is the owner's responsibility. Jamborees with higher difficulty ratings are more likely to encounter terrain that may contribute to vehicular damage.

Are Jeep Jamborees safe?

Our trail guides are trained to put your safety first. If they ask you to refrain from any activity or to avoid specific trails or areas, you must follow their directions. Jeep Jamboree USA does not authorize or promote any night runs. You must wear your seat and shoulder belts. If a trail guide asks you to wear your seat belt and you do not comply, you removed from the Jeep Jamboree, money will not be refunded, and those involved will be banned from all future Jeep Jamborees.

GMRS Radio, Channel, and Frequency Info

If You Don't Have GMRS Radio Yet

- Your easiest and best option is to purchase a unit from the preferred Jeep Jamboree Communication Sponsor, Midland. They make a quality product that is easy to understand and use. The recommended radios are available at: <https://link.jeeppjam.com/radios>

Radio Differences and Frequencies

- In late 2017, the FCC standardized the channel numbers/frequencies for FRS/GMRS. Any FCC approved radio manufactured after October of 2017 is required to use the standardized channels numbering and corresponding frequencies.

Frequencies and Power (See the reference chart to the right)

- FRS and GMRS use the same channels/frequencies, but at different power levels.
- FRS is "Family Radio Service" which runs at a lower power.
- GMRS is "General Mobile Radio Service" and runs at higher power.

Licensing

- FRS is "licensed by rule" by the FCC, meaning that you do not need a license to operate at FRS power.
- Before operating a GMRS radio, you must have a valid license. Any radio using the shared FRS/GMRS frequencies that is able to transmit above 2 Watts of power is considered a GMRS radio and requires a license.

Why GMRS over FRS or CB?

- With FRS handhelds there are situations where you may be able to hear the trail leader or others on the trail, but they may not hear you. GMRS has more power, meaning you can transmit farther.
- GMRS offers more reliability, usability, and quality over a CB radio.

Frequency	FRS/GMRS Channel	FRS Power	FRS Bandwidth	GMRS Power	GMRS Bandwidth
462.5625 MHz	1	2 W	12.5 kHz	5 W	20 kHz
462.5875 MHz	2	2 W	12.5 kHz	5 W	20 kHz
462.6125 MHz	3	2 W	12.5 kHz	5 W	20 kHz
462.6375 MHz	4	2 W	12.5 kHz	5 W	20 kHz
462.6625 MHz	5	2 W	12.5 kHz	5 W	20 kHz
462.6875 MHz	6	2 W	12.5 kHz	5 W	20 kHz
462.7125 MHz	7	2 W	12.5 kHz	5 W	20 kHz
Channels 8-14 are low power (.5 watt) channels and are not used by Jeep Jamboree					
462.5500 MHz	15	2 W	12.5 kHz	50 W	20 kHz
462.5750 MHz	16	2 W	12.5 kHz	50 W	20 kHz
462.6000 MHz	17	2 W	12.5 kHz	50 W	20 kHz
462.6250 MHz	18	2 W	12.5 kHz	50 W	20 kHz
462.6500 MHz	19	2 W	12.5 kHz	50 W	20 kHz
462.6750 MHz	20	2 W	12.5 kHz	50 W	20 kHz
462.7000 MHz	21	2 W	12.5 kHz	50 W	20 kHz
462.7250 MHz	22	2 W	12.5 kHz	50 W	20 kHz

Refunds, Transfers, and Cancellations

What is the refund policy?

We realize that unexpected events such as work conflicts, mechanical problems and illnesses may cause you to cancel your trip. However, we have many business partners that we pay deposits based on a preliminary participant count. Therefore, in order to limit the impact of cancellations, the following fees shall apply to your refund should you choose to cancel:

Days Prior To Trip Date

Cancellation Fee

45 days or more	\$125 for Classic Jeep Jamborees \$75 for Select Jeep Jamborees \$350 for Signature Jeep Jamborees
44 Days to 30 days	50% of registration fee
29 Days to 15 days	75% of registration fee
14 Days to trip date	No refund
Transfer fee*	\$25

What if a specific Jeep Jamboree is canceled?

Though incredibly rare, from time to time, a Jeep Jamboree may have to be canceled. For **most** of our events, you will be given the option to receive a full refund or transfer your registration to another event that has openings. For **some** Jeep Jamborees, we may deduct up to a 15% fee from your refund to offset unrecoverable expenses.

Due to unforeseen circumstances all trips, events, and trails are subject to change or cancellation without advance notice.

* A Note About Transfers

A transfer allows the original purchaser to transfer their registration from one trip to another in the same calendar year and at least 14 days prior to the event. **You may not transfer or sell your registration to another person.** If you are unable to attend, you should cancel your registration and the next person on the waiting list will be offered your spot.
