31st Ouray Jeep Jamboree

Ouray, Colorado
September 13 - 15, 2018
Trail Rating 3 – 8

Policies & Reminders for 2018

- **2018 EVENT WAIVER:** It is a requirement that you complete a Release of Liability Waiver for all occupants of your Jeep 4x4 and **BRING IT WITH YOU TO ON-SITE REGISTRATION (THURSDAY)**. A printed, signed and dated Release of Liability Waiver is required for each participant attending a Jeep Jamboree USA event. All passengers in your Jeep 4x4 must sign a Release of Liability Waiver. A parent or the minor's legal guardian must sign and date a waiver for participants under the age of 18 years old. If you forget your signed Release of Liability Waiver, all occupants of your vehicle must be present at registration to sign a new waiver before you can receive your event credentials.
- **NO ON-SITE REGISTRATIONS WILL BE ACCEPTED:** All new registrations of vehicles, adding, deleting or changing passengers must be completed (2) two weeks prior to the Jamboree date. Please refer to the refund and transfer policy on your registration form, event itinerary or the official Jeep Jamboree website.
- Participant Jeep tire size is not to exceed 37." If you exceed the tire limitations you will be turned away at registration and will not be allowed to attend the Jamboree or receive a refund.
- A working CB radio with adequate antenna is mandatory for all Jeep Jamboree events. Handheld CB's are not recommended.
- In order to sign up for off-road trails, your Vehicle Evaluation form must be stamped by the JJUSA Event Staff when you receive your registration packet.
- Each participant must wear his/her wristband and nametag throughout the entire Jamboree.
- Trail stickers provided at trail sign-ups must be displayed on your windshield prior to departing for any off-road trail ride.

ADDITIONAL NOTES

- JJUSA Event t-shirts are not trip specific and are the same for the entire season. Event t-shirts are included in your registration fee and must be preordered at the time of registration. Please list desired sizes during your online registration or while registering over the phone.
- While the Trail Guides do their best to trim back as much brush as possible, they are limited by federal, state, tribal and private landowners as to how much trail maintenance can be performed.

31st Ouray Jeep Jamboree

This is a Classic Jeep Jamboree. Breakfast, lunch and dinner are included on Friday and Saturday.

THURSDAY, September 13, 2018

OURAY TRAILS

LISTED FROM EASIEST TO THE MOST DIFFICULT FOR A STOCK JEEP

Ophir – Last Dollar (staging area 3)

(Ophir 2-3 / Last Dollar 2) *WEST SIDE TRAIL*

Easiest trail offered; good choice for true First Timers. If wet, Last Dollar Road can be slippery in spots. No porta-potties on the trails. Both trails very scenic. Last Dollar Road passes through a section that used to be part of Ralph Lauren's ranch and also passes the housing sets used in the original "True Grit" movie (with John Wayne). There will be a stop in Telluride for a bathroom break.

Stony Pass - Buffalo Boy (staging area 2)

(Stony Pass 2-3 / Buffalo Boy 4-5)

The Stony Pass / Buffalo Boy Tram House trail is varied, presents excellent views and is a good choice for beginners. This trail is also of interest to those who want to visit a well-preserved mine-side tram house that still has the cables strung and intact. The Stony Pass trail is relatively easy and smooth; the Buffalo Boy Tram House side trail is a bit rougher and includes a somewhat steep section. Porta-potties near the trailhead/trail end. Elevation of Stony Pass is 12,588'.

Yankee Boy – Governor (staging area 4)

(Yankee Boy 2-3 / Governor 4-6)

Yankee Boy Basin trail is short, varied and a good introduction to 4x4 off-roading. 4WD is necessary once you reach the porta-pottie. Governor's Basin Trail is a narrow shelf road that can be much more difficult than Yankee Boy. Passing can be difficult in some sections. Great view of Yankee Boy Basin below to top of Mt. Sneffels from Governor's Basin. Highest elevation at Governor's Basin is approx. 12,338'.

Last Dollar - Imogene (staging area 1)

(Imogene 5-6 / Last Dollar 2)

Some off-road experience needed, comfortable for beginners. Some slight challenges and sections of trail with steep drop-offs on Imogene Pass Trail. A lot of time is spent above timber line, very scenic. No porta-potties on the trails. Imogene Pass at 13,114' can be cold and windy, possibly with some snow; dress appropriately. There will be a stop in Telluride for a bathroom break.

Ophir - Imogene (staging area 3)

(Ophir 1-3 / Imogene 5-6)

With some off-road experience, this trail should be comfortable for beginners. Ophir Pass is at 11,789'; the west side is a narrow shelf road on a talus slope. Imogene Pass is at 13,114' and has some slight challenges and sections of trail with steep drop-offs. Incredible mountain views above timber line. No porta-potties on either trail. Both passes can be cold and windy, possibly with some snow on Imogene Pass; dress appropriately. There will be a stop in Telluride for a bathroom break.

Imogene - Ophir (staging area 4)

(Imogene 5-6 / Ophir 1-3)

This is the same as Ophir – Imogene different direction. With some off-road experience, this trail should be comfortable for beginners. Ophir Pass is at 11,789'; the west side is a narrow shelf road on a talus slope. Imogene Pass is at 13,114' and has some slight challenges and sections of trail with steep drop-offs. Incredible mountain views above timberline. No porta-potties on either trail. Both passes can be cold and windy, possibly with some snow on Imogene Pass; dress appropriately. There will be a stop in Telluride for a bathroom break.

California (staging area 2)

(Alpine Loop Trailhead to Mineral Point 6 / California Pass 4 / Corkscrew Gulch 4-5)

Contains about one mile of beginning and some brief intermediate rock crawling between Alpine Loop Trailhead and Mineral Point. Rest of trail easy but contains steep sections and shelf roads. Porta-potties (4) at Mineral Point Overlook, Animas Forks, top and bottom of Corkscrew Gulch. Grand mountain scenic views and passes late 1800's mining locations. Highest elevation 12,930' (California Pass).

Placer - Picayne (staging area 2)

(Alpine Loop Trailhead to Mineral Point: 6 / Placer-Picayne Gulch 4 / Corkscrew Gulch 4-5)

Contains about one mile of beginning and some brief intermediate rock crawling between Alpine Loop Trailhead and Mineral Point. Rest of trail fairly easy but contains steep sections. The middle portion of the trail traverses Placer and Picayne Gulches. Porta-potties (4) at Mineral Point Overlook, Animas Forks, top and bottom of Corkscrew Gulch. Grand mountain views. Highest elevation 12,744'.

Corkscrew (staging area 3)

(Corkscrew Gulch 4-5 / Poughkeepsie Gulch 7-8 / to Mineral Creek 5-6 and out Alpine Loop Trailhead)

A softer version of Poughkeepsie, we climb Corkscrew by Lake Como down to the Gulch; challenging rock crawling on this trail but downhill; Jeeps require high ground clearance. High centering can occur even on modified Jeeps. One obstacle presents a roll-over possibility; winching or strapping may be required. Porta-potty at top and bottom of Corkscrew Gulch. Great scenery in Gulch, good mountain scenics. Highest elevation Hurricane Pass 12,713'.

Poughkeepsie (staging area 2)

(Alpine Loop Trailhead to Poughkeepsie Trailhead 5 / Poughkeepsie 8-9 / Corkscrew 4-5)

The most challenging rock crawling trail in the area; Jeeps require high ground clearance. High centering can occur even on modified Jeeps. Winching or strapping may be required. Once out of Gulch rest of trail is easy but contains steep sections. Porta-potty at top and bottom of Corkscrew Gulch. Great scenery in Gulch, elevation 12,713

A MESSAGE FROM YOUR COORDINATOR

I would like to provide you a warm welcome to the 31st Annual Ouray Jeep Jamboree! We have strict time frames for arriving to evaluation, registration and departures on both Friday and Saturday. We have arranged to have the staging area available beginning at 3:00 P.M. Please do not arrive sooner than this or park on the side of the road. You will be asked to leave and come back at 3:00 P.M. We will have crew members there to discourage parking on the road and a police presence will be there.

Crew members will be there to not only check your Jeep but also to answer any questions you may have about the trail options so that you are ready to sign up for the trails of your choice when you arrive at registration. Guides have many years of experience on the trail and are happy to share their knowledge with you.

During the wait for the evaluation we will be hosting a small reception with snacks and soft drinks for you to meet other participants. At 3:30 in the same area as the reception, I will be going over some of the trail safety items as well as a Q&A session about things such as tire pressures, sway bars, CB usage and other items that can be utilized during your time with us. This discussion will stop 5 minutes before evaluations begin. Once you complete the evaluation you will need to head to the community center for registration. After you have registered you will then head to the tables to sign up for your trails and where you will be eating breakfast in the morning. This will allow you to get to know the crew members leading the trail and interact with other participants that you will be running with.

As with all JJUSA events, sign up for trails are first come/first serve. We have worked our staging area to funnel everyone thru as quickly as possible and to ensure that you get to registration in the same order that you get in line for evaluation. After breakfast, your groups will be released at the times specified to go to your staging areas. I ask you to respect these times when departing as Ouray is a small town and traffic can quickly become a mess. With that being said, I am wishing you a fantastic few days in our wonderful area of Ouray and the San Juan Mountains!

INTERESTING FACTS

Ouray is in the very heart of the San Juan Mountains. This mountain range was originally formed by molten lava and ice. Thirty-five million years ago enormous volcanic eruptions left deep lava craters behind. The most recent ice age formed the mountains, carving out great valleys, cliffs and peaks.

The city was named for Chief Ouray, leader of the Uncompahgre Utes, who led his people in the 1800s. He befriended early miners and was credited with preventing a tremendous amount of bloodshed between the Utes and the first miners to the area.

The Utes migrated with the seasons, following the elk and deer herds. They hunted the San Juan Mountains from early spring to late fall. Winter months would find them in warmer, lower valleys where they enjoyed the many hot springs. Uncompahgre is a Ute word meaning "warm springs". Today's Utes make up the only two Indian tribes in Colorado: the Ute Mountain Tribe near Cortez, and the Southern Ute Tribe near Ignacio. In their 1800s treaty the Utes were given permission to hunt the San Juan's year-round without a license. Prospectors looking for gold and silver arrived in the Silverton area as early as the 1860s, but did not head north over the rugged mountains to Ouray until 1874. Gus Begole and Jack Echols are reported to have been the first gold seekers to find Ouray. Having come up from the Silverton area, the two men discovered a rich outcropping of parallel veins of ore. They named their find "The Mineral Farm" because the ore could simply be dug out of the ground like potatoes. Ouray was incorporated in 1876, and within ten years the city had more than 1,200 inhabitants.

VEHICLE REQUIREMENTS

Tow points are MANDATORY! Tow points may include, tow hooks properly mounted to the frame with grade six or grade eight bolts according to official Mopar installation procedures, draw bars, receiver hitches, or aftermarket bumpers with manufacturers installed clevis or d-ring anchor.

- **Participant tires not to exceed 37". If you exceed 37 inches, you will be turned away at registration, will not be allowed to attend the Jamboree or receive a refund!**
- **If you do not have tow points, you may be turned away at registration without a refund.**
- **No snowplow frames.**
- **We recommend removing running boards and steps both factory and aftermarket if planning to participate in higher rated trails.**
- **All open-topped vehicles, including older models (CJs, Scramblers and Willys), must have mandatory roll bars.**
- **Tow strap recommended (with loops—NO METAL HOOKS).**
- **Full-size spare tire or comparable size mandatory! A space-saver spare (donut) just won't do.**
- **Must be street legal with license plate.**

CB radio mandatory! Handheld CB's are not recommended. There are many safety issues regarding upcoming obstacles transmitted over the CB radio by your trail guides. It is required that each vehicle has a working CB radio. You will also learn interesting facts about the area - history, local plant and wildlife, as well as exciting stories.

Please contact Shawn Gulling at shawn@jeeppjam.com or 530-333-4002 if you have further questions.

TRAIL USAGE AND INFORMATION

WATER CROSSINGS

Some Jamborees may have water crossings and water holes. Many of these crossings and holes offer a bypass, if you decide to "go around". It is very important to watch and listen to your trail guide. Please be sure your air intake is disconnected. Your trail guide can help you with this if needed. When driving in deep water, GO VERY SLOW! If your engine gets wet and stalls, DO NOT try to start it as you may cause serious engine damage. After the Jamboree, please be sure to reconnect your air intake. For additional tips on water crossings, please refer to your copy of "Mark A. Smith's Guide to Safe, Common Sense Off-Road Driving".

A NOTE ON LAND USAGE

Many Jeep Jamboree USA events are held on private lands with the consent of landowners, or on public lands through special use permits. In some cases, Jamboree trail groups are granted access to trail areas, which are closed to all other vehicular access during the year. Please be aware that access to these trail areas is allowed only by guided JJUSA groups during the scheduled Jeep Jamboree trail rides. Individual Jamboree guests returning later to drive in these areas on their own do so in violation of JJUSA's land use agreements and endanger future Jamboree usage of these restricted trails as well as being removed from the Jamboree without a refund. Thank you for your cooperation in assuring Jamboree access to some of America's most spectacular backcountry.

Also, please note that while we trim back as much brush as possible, we are limited by federal, tribal and private landowners to the amount acceptable by each entity.

PLEASE TREAD LIGHTLY!

Travel responsibly on designated roads and trails or in permitted areas.

Respect the rights of others including private property owners and all recreational trail users, campers and others to allow them to enjoy their recreational activities undisturbed.

Educate yourself by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely.

Avoid sensitive areas such as meadows, lakeshores, wetlands and streams, unless on designated routes. This protects wildlife habitat and sensitive soils from damage.

Do your part by leaving the area better than you found it, properly disposing of waste, minimizing the use of fire, avoiding the spread of invasive species, restoring degraded areas, and joining a local enthusiast organization.

TRAIL RATING SYSTEM

Every Jamboree trail is rated from 1 (easiest) to 10 (the most difficult). These ratings are based on the overall trail, not just on one or two tough spots. Rain can increase ratings by one or two points. Please remember, all vehicles are subject to vehicle evaluation prior to trail departure. Numerically higher rated Jamborees are more likely to result in vehicular damage.

1-2 Obstacles and terrain are relatively easy to navigate. In optimum weather conditions, some trails may not require continual use of four-wheel drive (4WD).

3-5 Moderately demanding. Challenge for novice drivers. Obstacles may include: mud holes, boulders, and streams. Requires 4WD with 4-LO.

6-7 Demanding. Challenge for most skill levels. Mud holes get deeper, boulders get larger, and climbs get steeper. Requires 4WD with 4-LO.

8-9 Very demanding. Likelihood of getting stuck is high. Mud holes may be deep and rock climbing is more arduous. Lifts and lockers are helpful. Requires 4WD with 4-LO.

10 Extremely demanding. Reserved for the toughest off-road trip in the U.S.A. – the Rubicon Trail. Requires 4WD with 4-LO (*Not recommended for Jeep Patriot, Compass, Liberty, Cherokee, Grand Cherokee, or Commander.*)

During registration participants will have the opportunity to discuss the trails, their driving experience and vehicle capabilities with the trail guides. Guides will work with participants for trail placement.

RAIN MAY INCREASE TRAIL RATINGS 1 OR 2 POINTS, ESPECIALLY WITH STREET TIRES.

FRIENDLY REMINDERS – Before and During Your Trip

BEFORE YOU LEAVE

Waivers will be collected at the Jamboree during registration. Please read, sign, date and **bring the completed waiver with you.** All passengers in your Jeep vehicle must sign and date this waiver. A waiver for participants under the age of 18 years old must be signed and dated by a parent or the minor's legal guardian.

REGISTRATIONS, ADDING, DELETING, OR CHANGING OF PASSENGERS

In order to give accurate counts to our caterer for the meals, pay for land use and permit fees, all new registrations of vehicles, adding, deleting or changing of passengers must be completed **two weeks** prior to the Jamboree date. **We will no longer be able to accommodate any onsite registrations.** Please note that registration prices are per person, not per Jeep vehicle.

Event T-Shirts are included in your registration fee. You must pre-order event T-Shirts at the time of your online or phone registration. Preordered shirts will be given to you during onsite registration. Other Jeep Jamboree USA clothing and merchandise will be available during the Jamboree.

GET CONNECTED

Join the Discussion Group for just one or multiple Jeep Jamborees on Facebook. This is a great way to start conversing with fellow participants and trail guides before you even get to the Jamboree. Ask questions, share information and photos before, during and after your great adventure. Click on [Discussion group](#) on the Jeep Jamboree USA homepage and join for free.

WHILE YOU ARE THERE

Name Badges and Wristbands

When you register on-site, you will be given one nametag and a wristband per participant. Each participant must wear a wristband and nametag from registration through the end of the Jamboree. Those without a wristband will not be served meals or allowed on the trails.

FREQUENTLY ASKED QUESTIONS

WHO CAN I BRING?

Whoever you want! As long as they each have a required seat belt in your Jeep 4x4. Bringing pets is strongly discouraged. If your pet must attend, you must sign and date a pet waiver during registration.

WHERE DO I SLEEP ON A JEEP JAMBOREE?

Participants are responsible for arranging their own lodging. Included in this trip itinerary is a list of accommodations. Be sure to mention you're attending a Jeep Jamboree when making your reservation.

WHAT DOES THE JAMBOREE FEE COVER?

Your fee covers all necessary permits, land-use fees, experienced guides for the entire trip, an event T-shirt and three meals on both Friday and Saturday ("Select" adventurers include evening meals only). NOTE: Meals vary. Regrettably, no accommodations can be made for special diets or dietary restrictions. Also included is an official Jeep Jamboree dash plaque and access to some of the finest trails in America – several of which are only available through this program. Each Jamboree also features a giveaway for chances to win great prizes from our sponsors. Sorry, no partial trips are offered or meal only options and no spectators allowed. All participants must be officially registered.

CAN I BRING MY JEEP LIBERTY, CHEROKEE, GRAND CHEROKEE, RENEGADE OR COMMANDER?

Of course! All new Jeep 4x4 vehicles with a 4-LO transfer case, are Trail Rated® and are tested on demanding 4x4 trails. Your Jeep four-wheel-drive vehicle is required to be in good condition, with good tires, brakes, and seat belts. In addition, we require prior approval for larger Jeep 4x4s, such as Grand Wagoneers and J-Series Pickups. Jeep Jamboree USA reserves the right to refuse participation to any applicant whose vehicle exceeds size restrictions.

COULD MY VEHICLE BE DAMAGED ON A JAMBOREE?

Every effort is made by Jeep Jamboree USA to make the trails as safe as possible. Participants are advised to closely follow instructions given by trail guides, spotters, and Jeep Jamboree USA. However, there's the possibility of damage to your vehicle when traveling rough terrain. Any damage is the owner's responsibility. Jamborees with higher difficulty ratings are more likely to encounter terrain that may contribute to vehicular damage. Participants are required to sign, date and turn in a waiver at on-site registration.

JEEP JAMBOREE USA POLICIES

SAFETY

Our trail guides are trained to put your safety first. If they ask you to refrain from any activity, to avoid specific trails or areas, which jeopardize you or your fellow participant's safety or is not authorized for our use, please follow their directions. JJUSA does not authorize or promote any night runs. AS AGREED TO IN YOUR WAIVER, ALL PARTICIPANTS AGREE TO WEAR HIS OR HER RESPECTIVE SEAT AND SHOULDER BELTS. IF A TRAIL GUIDE ASKS YOU TO WEAR YOUR SEAT BELT AND YOU DO NOT COMPLY, VIOLATORS WILL BE REMOVED FROM THE JEEP JAMBOREE, MONEY WILL NOT BE REFUNDED, AND THOSE INVOLVED WILL BE BANNED FROM ALL FUTURE JEEP JAMBOREES.

ALCOHOLIC BEVERAGES

No occupants of vehicle will possess or consume alcohol while on the trails. Doing so means immediate expulsion. Money will not be refunded, and those involved will be banned from all future Jeep Jamborees.

REFUND POLICIES

We realize that unexpected events such as work conflicts, mechanical problems and illnesses may cause you to cancel your trip. However, we have many business partners that we pay deposits based on a preliminary participant count, therefore in order to limit the impact of cancellations the following penalties apply to your refund should you choose to cancel:

<u>Days Prior to Trip Date</u>	<u>Fee</u>
Reservation to 60 days	\$125 Classic \$ 75 Select
59 days to 30 days	50%
29 days to 15 days	75%
14 days to trip date	NO REFUND
Transfer fee to trip date	\$100

Transfers from one trip to another must be done within the same calendar year.

CHILDREN 5 & UNDER

Children 5 and under are not charged to participate with you in a Jamboree. Complimentary meals for children 5 and under will be provided.

ONSITE PURCHASES AT JAMBOREE

If you purchase JJUSA merchandise at the event, please be aware that we can accept payment by cash only; sorry no credit cards or checks!

NO C.O.D.

Please note that all registrations must be paid at least two weeks in advance. We will no longer be able to accommodate registrations of vehicles, adding, deleting or changing of passengers at on-site registration.

NO PARTIAL DAYS OR MEALS ONLY REGISTRATIONS

Registrations are for the SAME person (driver or passengers) for BOTH days. Passengers may not be swapped; i.e. one person on one day; another person another day. We base our nametags, meals and waivers on the same person for both days. We do not permit partial (one-day only) registrations (no refunds are given for days not used), nor do we sell a "meals only" option for those who are not on the trail, but wish to join participants for meals.

Due to unforeseen circumstances all trips, events and trails are subject to change or cancellation without advance notice.
