A MESSAGE FROM YOUR OZARK MOUNTAINS COORDINATOR

We are so pleased that you have decided to join us for the Ozark Mountains Jeep Jamboree, headquartered at Byrd's Adventure Center in Ozark, Arkansas. Extreme efforts have been made to accommodate all your needs and desires. Our professional event management staff and Hospitality Company have worked hard to insure that your experiences in the Ozarks and our fabulous surrounding mountain environment will leave you wanting to return again and again!

We are a family oriented event with many features to create an atmosphere of fun and excitement for all ages, tastes and desires. It was only natural to plan this event to meet those expectations! You'll see trails of every description, including our famous Rock Garden and 4x4 Competition Courses.

Evening entertainment and dinners include live music, bonfires, tales from the trails, and more!!! We look forward to meeting and greeting each and every one of you personally and welcome you to Byrd's Adventure Center in the Mulberry Valley.

We encourage you to stay onsite to enjoy the surroundings and to spend time with your family and new friends without having to drive back to town. Think of it as even more of a Jeep adventure when you can watch fireflies in the fields at night and hear the river slowly flowing by. If you prefer hotel accommodations, a 40-minute drive will take you to hotels in Ozark, Arkansas.

With a fantastic offering of off-road trails and scenic overlooks, there is sure to be a trail for everyone. Byrd's Adventure Area is located between Ozark, Arkansas (I-40) and the Fayetteville/Bentonville area (the home of Wal-Mart). This event will be offered as a Classic Jeep Jamboree.

When you plan your trip to the Ozark Mountains Jeep Jamboree, come in a day early or stay a day late and spend some time in Ozark and Fayetteville. Take in a meal at the Oark General Store, the longest consistently operating store in Arkansas. Meet Brian and Reagan the owners and of course the local characters that you will find sitting on the front porch. If the river is flowing, you might even consider a canoe or kayak trip from Byrd's. If you find yourself in the Fayetteville/Bentonville area, make sure to visit Sam Walton's first five and dime store and tour the town square, where you will find fun shops and great restaurants.

SHAWN SAYS "I would give serious consideration to staying on-site. Crabtreee RV Rentals will bring out a 5th wheel camper trailer for you, set it up, connect your power and water, then, after your Jamboree is over, will pick it up." The cost is about equal to what you would pay for fuel and hotels in Ozark... and you are on-site!

BEFORE YOU GO

REQUIRED

Missing any of these means you are turned away at registration, without a refund.

- Tow points: frame-mounted tow hooks with grade 6 or 8 bolts, draw bars and receiver hitches, or aftermarket bumpers with a manufacturer-installed clevis or D-ring.
- A working GMRS-compatible radio. Guides call out upcoming obstacles, plus local history and wildlife.
- A full-size spare tire.
- Seat belts for all occupants, worn on the trail.
- Street legal, registered and insured, with a license plate.
- STRICTLY ENFORCED Tires no larger than 40". Suspension lift no more than 6". No exceptions.
- Roll bars on all open-topped vehicles, including CJs, Scramblers and Willys.
- A rated tree saver and soft shackle if you run a winch.
- No buggy-style Jeeps and no snowplow frames.

PACK LIST

Bring these with you — for registration, and for the trail.

- Signed waiver for every occupant; a parent or legal guardian signs for passengers under 18.
- Photo ID for the driver of record — the name must match the registration.
- Name badge, worn all weekend. It is your admission to trails and meals.
- Basic tool kit, first aid kit, tire gauge, rain jacket, clothing for all conditions.
- An ice chest of non-alcoholic drinks. Stay hydrated.
- Trail snacks and a chair or blanket for the lunch stop.
- Insect repellent, sun block, medications, hand sanitizer, flashlight, camera, binoculars.
- Toilet paper and zip-lock bags for tissue disposal.

Recommended: a tow strap with looped ends (metal hooks are not allowed), a fire extinguisher and first aid kit. Consider removing running boards and steps for higher-rated trails. Questions about your Jeep? Contact your Adventure Consultant before the event.

KNOW BEFORE YOU GO

- Registrations, and adding, deleting or changing passengers, close 14 days before the event.
- Check a 10-day forecast for every location listed here; conditions differ sharply between them.
- Drones require permission from your trail guides, and many landowners and agencies prohibit them outright.
- Alcohol and non-prescription drugs on the trail mean immediate expulsion without a refund.
- Pets are strongly discouraged; a pet waiver is required at registration.
- Trail access may be granted to guided Jamboree groups only — returning on your own violates our land use agreements.

TRAIL RATING SYSTEM

1–2

Relatively easy terrain. In optimum conditions some trails may not require continual use of 4WD.

3–5

Moderately demanding; a challenge for novice drivers. Mud holes, boulders, streams. Requires 4-LO.

6–7

Demanding at most skill levels. Deeper mud, larger boulders, steeper climbs. Requires 4-LO.

8–9

Very demanding. Getting stuck is likely and rock climbing is arduous. Lifts and lockers help.

Ratings describe the overall trail, not one or two tough spots. Rain, even from days prior, can raise a rating one or two points, especially on street tires. All vehicles are subject to a check before trail departure, and higher-rated trails are more likely to result in vehicle damage. When in doubt, ask a guide.
