## **A MESSAGE FROM YOUR COORDINATOR**

Welcome to another great year of off-roading in the Palo Duro Canyon. RV's and tent campers are welcome to set up at the Figure 3 Ranch on Thursday either before or after registration. Signs directing you to the area for camping will be posted at the Figure 3 Ranch. This is a working cattle ranch. It is important to stay within the posted area and to keep the gates closed when entering or exiting the area. Camping here is primitive. If you would like more camping comforts, look into staying at the Overnight RV Park listed on our accommodations page.

When choosing your camping location, please do not confuse the Palo Duro Canyon, south of Amarillo, with the Palo Duro Canyon State Park. There will be a considerable drive between the State Park and our off-road trails.

Please be sure to have enough fuel for your Jeep. You will have the opportunity in the evening to drive into town to refuel.

The trail in and out of the canyon is limited to one-way traffic, entering and exiting will be coordinated in trail groups. The groups will meet at specified times to enter and exit the canyon. No one will be allowed into the canyon prior to the trail group's entry on Friday morning. Travel time from the top to the bottom of the canyon is approximately 15-20 minutes.

On Thursday evening, during registration, please ask your Trail Leader for his/her cell phone number. If you have a problem finding the Figure 3 Ranch, you will be able to access the cell phone for further directions. Cell phones work well outside of the canyon. Once you have descended into the canyon they will be of little to no use. Communication will be transmitted through CB's once in the canyon.

Weather in the Canyon can change quickly. Please carry medications, a light blanket, snacks and water with you in case of an emergency. In the past, rain has prevented us from exiting the canyon until the next morning. The canyon can be extremely dusty. A bandana is advised to cover your face to help reduce inhaling dust. For this Jamboree, be sure to carry lots of water. It can be very dry and hydration is important. Lip balm and possibly a saline nasal spray should be considered.

## **TRAIL USAGE AND INFORMATION**

### **WATER CROSSINGS**

Some Jamborees may have water crossings and water holes. Many of these crossings and holes offer a bypass, if you decide to “go around”. It is very important to watch and listen to your trail guide.

Please be sure your air intake is disconnected. Your trail guide can help you with this if needed. When driving in deep water, GO VERY SLOW! If your engine gets wet and stalls, DO NOT try to start it as you may cause serious engine damage. After the Jamboree, please be sure to reconnect your air intake. For additional tips on water crossings, please refer to your copy of “Mark A. Smith’s Guide to Safe, Common Sense Off-Road Driving”.

### **A NOTE ON LAND USAGE**

Many Jeep Jamboree USA events are held on private lands with the consent of landowners, or on public lands through special use permits. In some cases, Jamboree trail groups are granted access to trail areas, which are closed to all other vehicular access during the year. Please be aware that access to these trail areas is allowed only by guided JJUSA groups during the scheduled Jeep Jamboree trail rides.

Individual Jamboree guests returning later to drive in these areas on their own do so in violation of JJUSA’s land use agreements and endanger future Jamboree usage of these restricted trails as well as being removed from the Jamboree without a refund. Thank you for your cooperation in assuring Jamboree access to some of America’s most spectacular backcountry.

Also, please note that while we trim back as much brush as possible, we are limited by federal, tribal and private landowners to the amount acceptable by each entity.

### **PLEASE TREAD LIGHTLY!**

**Travel responsibly** on designated roads and trails or in permitted areas.

**Respect the rights** of others including private property owners and all recreational trail users, campers and others to allow them to enjoy their recreational activities undisturbed.

**Educate yourself** by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely.

**Avoid sensitive areas** such as meadows, lakeshores, wetlands and streams, unless on designated routes.

This protects wildlife habitat and sensitive soils from damage.

**Do your part** by leaving the area better than you found it, properly disposing of waste, minimizing the use of fire, avoiding the spread of invasive species, restoring degraded areas, and joining a local enthusiast organization.

## TRAIL RATING SYSTEM

Every Jamboree trail is rated from 1 (easiest) to 10 (the most difficult). These ratings are based on the overall trail, not just on one or two tough spots. Rain can increase ratings by one or two points. Please remember, all vehicles are subject to vehicle evaluation prior to trail departure. Numerically higher rated Jamborees are more likely to result in vehicular damage.

**1-2 Obstacles and terrain are relatively easy to navigate.** In optimum weather conditions, some trails may not require continual use of four-wheel drive (4WD).

**3-5 Moderately demanding.** Challenge for novice drivers. Obstacles may include: mud holes, boulders, and streams. Requires 4WD with 4-LO.

**6-7 Demanding.** Challenge for most skill levels. Mud holes get deeper, boulders get larger, and climbs get steeper. Requires 4WD with 4-LO.

**8-9 Very demanding.** Likelihood of getting stuck is high. Mud holes may be deep and rock climbing is more arduous. Lifts and lockers are helpful. Requires 4WD with 4-LO.

**10 Extremely demanding.** Reserved for the toughest off-road trip in the U.S.A. – the Rubicon Trail. Requires 4WD with 4-LO (*Not recommended for Jeep Patriot, Compass, Liberty, Cherokee, Grand Cherokee, or Commander.*)

During registration participants will have the opportunity to discuss the trails, their driving experience and vehicle capabilities with the trail guides. Guides will work with participants for trail placement.

*RAIN MAY INCREASE TRAIL RATINGS 1 OR 2 POINTS, ESPECIALLY WITH STREET TIRES.*

## FRIENDLY REMINDERS – Before and During Your Trip

### BEFORE YOU LEAVE

**Waivers will be collected at the Jamboree during registration.** Please read, sign, date and **bring the completed waiver with you.** All passengers in your Jeep vehicle must sign and date this waiver. A waiver for participants under the age of 18 years old must be signed and dated by a parent or the minor's legal guardian.

### REGISTRATIONS, ADDING, DELETING, OR CHANGING OF PASSENGERS

In order to give accurate counts to our caterer for the meals, pay for land use and permit fees, all new registrations of vehicles, adding, deleting or changing of passengers must be completed **two weeks** prior to the Jamboree date. **We will no longer be able to accommodate any onsite registrations.** Please note that registration prices are per person, not per Jeep vehicle.

Event T-Shirts are included in your registration fee. You must pre-order event T-Shirts at the time of your online or phone registration. Shirts will be given to you during onsite registration. Other Jeep Jamboree USA clothing and merchandise will be available during the Jamboree.

## GET CONNECTED

Join the Discussion Group for just one or multiple Jeep Jamborees on Facebook. This is a great way to start conversing with fellow participants and trail guides before you even get to the Jamboree. Ask questions, share information and photos before, during and after your great adventure. Click on [Discussion group](#) on the Jeep Jamboree USA homepage and join for free.

## WHILE YOU ARE THERE

### Name Badges and Wristbands

When you register on-site, you will be given one nametag and a wristband per participant. Each participant must wear a wristband and nametag from registration through the end of the Jamboree. Those without a wristband will not be served meals or allowed on the trails.

## FREQUENTLY ASKED QUESTIONS

### WHO CAN I BRING?

Whoever you want! As long as they each have a required seat belt in your Jeep 4x4. Bringing pets is strongly discouraged. If your pet must attend, you must sign and date a pet waiver during registration.

### WHERE DO I SLEEP ON A JEEP JAMBOREE?

Participants are responsible for arranging their own lodging. Included in this trip itinerary is a list of accommodations. Be sure to mention you're attending a Jeep Jamboree when making your reservation.

### WHAT DOES THE JAMBOREE FEE COVER?

Your fee covers all necessary permits, land-use fees, experienced guides for the entire trip, an event T-shirt and three meals on both Friday and Saturday ("Select" adventurers include evening meals only). NOTE: Meals vary. Regretfully, no accommodations can be made for special diets or dietary restrictions. Also included is an official Jeep Jamboree dash plaque and access to some of the finest trails in America – several of which are only available through this program. Each Jamboree also features a giveaway for chances to win great prizes from our sponsors. Sorry, no partial trips are offered or meal only options and no spectators allowed. All participants must be officially registered.

## **CAN I BRING MY JEEP LIBERTY, CHEROKEE, RENEGADE, GRAND CHEROKEE, OR COMMANDER?**

Of course! All new Jeep 4x4 vehicles with a 4-LO transfer case are Trail Rated® and are tested on demanding 4x4 trails. Your Jeep four-wheel-drive vehicle is required to be in good condition, with good tires, brakes, and seat belts. In addition, we require prior approval for larger Jeep 4x4s, such as Grand Wagoneers and J-Series Pickups. Jeep Jamboree USA reserves the right to refuse participation to any applicant whose vehicle exceeds size restrictions.

## **COULD MY VEHICLE BE DAMAGED ON A JAMBOREE?**

Every effort is made by Jeep Jamboree USA to make the trails as safe as possible. Participants are advised to closely follow instructions given by trail guides, spotters, and Jeep Jamboree USA. However, there's the possibility of damage to your vehicle when traveling rough terrain. Any damage is the owner's responsibility. Jamborees with higher difficulty ratings are more likely to encounter terrain that may contribute to vehicular damage. Participants are required to sign, date and turn in a waiver at on-site registration.

## **JEEP JAMBOREE USA POLICIES**
