A MESSAGE FROM YOUR RUBICON TRAIL EXPEDITION XTREME COORDINATOR

We're excited to have you join us for the Rubicon Trail Expedition XTREME. We'll tackle the Rubicon Trail in a way that few ever do, in reverse! Considered the "Crown Jewel" of all off-road trails, the Rubicon is one of the most iconic trails in the United States, offering beautiful scenery and seemingly never-ending challenges.

Join us for dinner and an overnight in Truckee, CA. We'll get to know each other and discuss the coming days before heading off to traverse the Rubicon Trail. Each day will bring new challenges as we drop down Cadillac Hill, ascend the Big Sluice, skirt Buck Island Lake, and push through the many more obstacles to come.

We'll wrap each day with a delicious meal served up by our team while spending two nights under the stars. As the journey concludes with our arrival at Loon Lake, the traditional trail head, join us for one last lunch and take a moment to swap stories and reminisce about this epic experience.

SPECIAL CONSIDERATIONS FOR RUBICON TRAIL EXPEDITIONS

Trailers are not permitted. Registration is Monday at 4:00 p.m.; no late registration. Bring your completed waiver to registration. Waiver is available at https://link.jeepjam.com/waiver. Make sure you have a full tank of gas before departing for the trail on Tuesday; the schedule includes a fuel stop in Tahoe City. You will be responsible for three of your own meals on the trail, camping equipment, and disposal of all garbage/human waste. We will strictly follow the "pack-it-in, pack-it-out" philosophy. Our Overland trips are dynamic and the itinerary is a general guideline. Factors such as weather or mechanical issues may affect the schedule. Details are subject to change. A final confirmation of the itinerary will be sent to you no less than two (2) weeks prior to the Expedition.
