MESSAGE FROM YOUR COORDINATOR

Many requests have been made to offer more Jamborees in the Northwest. The family of Mike Millward, who recently passed away, have graciously agreed to continue the Silver Valley Jeep Jamboree to honor Mike's commitment to family oriented off road adventures. Any time you spend with the Millward family is guaranteed to be a memorable adventure. The Millwards are long time residents of the area and know the trail system like the back of their hand. The family pretty much grew up in the back seat of a Jeep. Between the off-road knowledge of the Millward's and their trail crew, Jamboree participants are sure to have a great time. Be sure to arrive early to take part in the half day tour of the Mullan/Wallace area. Call Shawn Gulling to reserve your spot.

TRAIL DESCRIPTIONS

Trail of Tears Rated 2 - 5

Trail of Tears is an easy beautiful trail. You will go by 4 abandoned mines on this scenic ride. Rock obstacles will test your skills but wont break your spirit. There are a few long steep hill climbs that will take you to the top of the world and back. Bring your camera.

Mullen Pass 2 - 6

Mullen Pass offers a scenic view along a narrow trail that has steep uphill ascents and downhill descents. Loose shale and a view of Silver Cable Mine.

Denver Creek Rated 2 - 8 ½

This trail will require additional driving of 20 miles to get to the trailhead.

Once there you will know that it was worth the drive. Denver Creek is not for the faint of heart. Rock Gardens, creek beds, an old mine and a great day of testing your skill level await you on the Denver Creek Trail.

Grouse Gulch 2 - 9

Experience is a must on Grouse Gulch. 33" tires, front and rear lockers and tow points front and rear are required. Big rocks, a creek crossing and loose shale await you on this wet and slippery trail.

OTHER THINGS TO DO

Mullan and Wallace are rich with local history. Wallace is known as the richest town in silver mining history. If you have an extra day, take the time to explore some of the attractions the area has to offer. If you are ready to stretch your legs either before or after the Jamboree the Coeur d' Alenes Walking/Biking trail is the place to do it. Trail can be accessed from several locations. For the most compatible access go to the website listed below.

TRAIL USAGE AND INFORMATION

WATER CROSSINGS

Some Jamborees may have water crossings and water holes. Many of these crossings and holes offer a bypass, if you decide to "go around". It is very important to watch and listen to your trail guide.. When driving in deep water, GO VERY SLOW! If your engine gets wet and stalls, DO NOT try to start it as you may cause serious engine damage. For additional tips on water crossings, please refer to your copy of "Mark A. Smith's Guide to Safe, Common Sense Off-Road Driving", which is available to be downloaded on our website.

A NOTE ON LAND USAGE

Many Jeep Jamboree USA events are held on private lands with the consent of landowners, or on public lands through special use permits. In some cases, Jamboree trail groups are granted access to trail areas, which are closed to all other vehicular access during the year. Please be aware that access to these trail areas is allowed only by guided JJUSA groups during the scheduled Jeep Jamboree trail rides. Individual Jamboree guests returning later to drive in these areas on their own do so in violation of JJUSA's land use agreements and endanger future Jamboree usage of these restricted trails as well as being removed from the Jamboree without a refund. Thank you for your cooperation in assuring Jamboree access to some of America's most spectacular backcountry. Also, please note that while we trim back as much brush as possible, we are limited by Federal, Tribal and Private landowners to the amount acceptable by each entity.

PLEASE TREAD LIGHTLY!

TTravel responsibly on designated roads and trails or in permitted areas.

Respect the rights of others including private property owners and all recreational trail users, campers and others to allow them to enjoy their recreational activities undisturbed.

Educate yourself by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely.

Avoid sensitive areas such as meadows, lakeshores, wetlands and streams, unless on designated routes. This protects wildlife habitat and sensitive soils from damage.

Do your part by leaving the area better than you found it, properly disposing of waste, minimizing the use of fire, avoiding the spread of invasive species, restoring degraded areas, and joining a local enthusiast organization.

TRAIL RATINGS

Every Jamboree trail is rated from 1 (easiest) to 10 (most difficult). These ratings are based on the over trail, not just on one or two tough spots. Rain can increase ratings by one or two points. Please remember, all vehicles are subject to vehicle check prior to trail departure. Numerically higher rated Jamborees are more likely to result in vehicular damage.

1-2 Obstacles and terrain are relatively easy to navigate. *In optimum weather conditions, some trails may not require continual use of four-wheel drive (4WD).*

3-5 Moderately demanding. Challenge for novice drivers. Obstacles may include: mud holes, boulders, and streams. Requires 4WD with 4-LO.

6-7 Demanding. Challenge for most skill levels. Mud holes get deeper, boulders get larger, and climbs get steeper. Requires 4WD with 4-LO.

8-9 Very demanding. Likelihood of getting stuck is high. Mud holes may be deep and rock climbing is more arduous. Lifts and lockers are helpful. Requires 4WD with 4-LO.

10 Extremely demanding. Reserved for the toughest off-road trip in the U.S.A. – the Rubicon Trail. Requires 4WD with 4-LO, front and rear lockers, skid plates, rock rails and an aftermarket rear differential cover. Rubicon Trail Jeep Jamboree is limited to YJ's, TJ's and JK models only. *Jeep Renegade, Patriot, Compass, Liberty, Cherokee, Grand Cherokee, or Commanders are not allowed.*

During registration participants will have the opportunity to discuss the trails, their driving experience and vehicle capabilities with the trail guides. Guides will work with participants for trail placement.

RAIN MAY INCREASE TRAIL RATINGS 1 OR 2 POINTS, ESPECIALLY WITH STREET TIRES.

FRIENDLY REMINDERS – Before and During Your Trip

BEFORE YOU LEAVE

Waivers will be collected at the Jamboree during registration. Please read, sign and bring the completed waiver with you. All passengers in your Jeep vehicle must sign and date this waiver. A waiver for participants under the age of 18 years old must be signed and dated by a parent or the minor's legal guardian. If waiver is correctly signed and dated, passengers do not need to be present at registration.

REGISTRATIONS, ADDING, DELETING, OR CHANGING OF PASSENGERS

In order to give accurate counts to our caterer for the meals, pay for land use and permit fees, all new registrations of vehicles, adding, deleting or changing of passengers must be completed **(2) two weeks** prior

to the Jamboree date. **We will no longer be able to accommodate any onsite registrations. This is for both adding of Jeeps or passengers.** Please note that registration prices are per person, not per Jeep vehicle. Event T-Shirts are included in your registration fee. You must pre-order event T-Shirts at the time of your online or phone registration. Shirts will be given to you during onsite registration. Other Jeep Jamboree USA clothing and merchandise will be available during the Jamboree.

FREQUENTLY ASKED QUESTIONS

WHO CAN I BRING?

Whoever you want! As long as they each have a required seat belt in your Jeep 4x4. Bringing pets is strongly discouraged. If your pet must attend, you must submit a pet waiver during registration.

WHERE DO I SLEEP ON A JEEP JAMBOREE?

Participants are responsible for arranging their own lodging. Included in this event itinerary is a list of accommodations. Be sure to mention you're attending a Jeep Jamboree when making your reservation.

WHAT DOES THE JAMBOREE FEE COVER?

Your fee covers all necessary permits, land-use fees, experienced guides for the entire trip, an event T-shirt and three meals on both Friday and Saturday ("Select" Jamborees include evening meals only). NOTE: Meals vary. Regretfully, no accommodations can be made for special diets or dietary restrictions. Also included is an official Jeep Jamboree dash plaque and access to some of the finest trails in America – several of which are only available through this program. Each Jamboree also features a giveaway for chances to win great prizes from our sponsors. Sorry, no partial trips are offered or meal only options and no spectators allowed. All participants must be officially registered.

CAN I BRING MY JEEP LIBERTY, CHEROKEE, GRAND CHEROKEE, RENEGADE OR COMMANDER?

Of course! All new Jeep 4x4 vehicles with a 4-LO transfer case are Trail Rated® and are tested on demanding 4x4 trails. Your Jeep four-wheel-drive vehicle is required to be in good condition, with good tires, brakes, and seat belts. In addition, we require prior approval for larger Jeep 4x4s, such as Grand Wagoneers and J-Series Pickups. Jeep Jamboree USA reserves the right to refuse participation to any applicant whose vehicle exceeds size restrictions.

COULD MY VEHICLE BE DAMAGED ON A JAMBOREE?

Every effort is made by Jeep Jamboree USA to make the trails as safe as possible. Participants are advised to closely follow instructions given by trail guides, spotters, and Jeep Jamboree USA. However, there's the possibility of damage to your vehicle when traveling rough terrain. Any damage is the owner's responsibility. Jamborees with higher difficulty ratings are more likely to encounter terrain that may contribute to vehicular damage. Participants are required to sign a waiver form.
