Polices & Reminders For All 2019 Adventures

2019 Event Waiver

You are required to complete a Release of Liability Waiver for all occupants of your Jeep 4x4. You must bring it with you to on-site registration (Thursday). A printed, signed and dated Release of Liability Waiver is required for each participant attending a Jeep Jamboree USA event. All passengers in your Jeep 4x4 must sign a Release of Liability Waiver. A parent or the minor's legal guardian must sign and date a waiver for participants under the age of 18 years old. If you forget your signed Release of Liability Waiver, all occupants of your vehicle must be present at registration to sign a new waiver before you can receive your event credentials.

On-Site Registrations Will Not Be Accepted

All new registrations of vehicles, adding, deleting or changing passengers must be completed (2) two weeks prior to the Jamboree date. Please refer to the refund and transfer policy on your registration form, event itinerary or the official Jeep Jamboree website jeepjamboreeusa.com

Maximum Tire Size

Participant Jeep tire size is not to exceed 37". If you exceed the tire limitations you will be turned away at registration and will not be allowed to attend the Jamboree or receive a refund.

CB Radios Are Required

A working CB radio with adequate antenna is mandatory for all Jeep Jamboree events. Handheld CB's are not recommended.

Name Badge

Each participant must wear their name badge throughout the entire Jamboree.

Trail Stickers

Trail stickers provided at trail sign-ups must be displayed on your windshield prior to departing for any off-road trail ride.

Trail Conditions

Trail conditions can vary widely between trails and even on the same trail on different days. Factors such as weather, other Jeeps and the line you choose all have an effect on the trail and how your Jeep will traverse it. Rainfall, even from days prior, may increase trail ratings 1 or 2 points. When in doubt, ask a Jeep Jamboree Trail Guide for guidance.

Special Notes For Southern Utah

Children Under 12 Are Not Recommended

Children 12 and under are not recommended on this trip. Although our Jamborees are family oriented and many of us grew up in the backs of Jeeps, this Adventure will entail long days which may not be suitable for families with small children. The concern for the overall pace of the group was the deciding factor for this.

An Adventure Is Different From A Traditional Jeep Jamboree

Unlike most of our Jamborees that have a mix of trails with varying difficulty, this trip will be a more scenic adventure with mild to moderate levels of difficulty.

Thank You, Rancho Suspensions!

Rancho Suspension is a proud sponsor of this new Adventure Series. Rancho is headquartered in Long Beach, CA, and is manufactured and marketed by Tenneco. Tenneco is the global supplier and manufacturer of the Rancho brand of suspension systems and components, shock absorbers, off-road protective equipment, specialty exhaust pipe kits and more for a variety of trucks, sport utility vehicles and Jeeps found around the globe.

Weather Conditions

Weather conditions can be dynamic at a Jeep Jamboree. We recommend you look at a 10-day forecast of weather conditions at weather.com or a similar site.

2nd Southern Utah Adventure

This Jeep Jamboree Adventure is an Overlanding style trip. You will be responsible for all of your own meals, camping equipment and disposal of all garbage and human waste. We will strictly follow the “pack-it-in, pack-it-out” philosophy. Our Overland trips are dynamic and the itinerary below is a general guideline. Factors such as weather or mechanical issues may affect the schedule. Details are subject to change.

A Note About Southern Utah Adventure

Come and join us for an adventure through Southern Utah on routes that very few get to travel. We will leave the hustle and bustle of Moab and head southwest exploring our way to Sand Hollow.

Our route will take us through a wide variety of terrain, from Red Rock Deserts to Pine and Aspen covered mountain passes over 10,000 feet in elevation. We will pass by petroglyphs, arches, canyons and scenic overlooks as we retrace some of the routes pioneers took when settling this beautiful landscape.

This will be an open-itinerary exploration of the region, setting camp at dusk after a long day of travel, then moving on when the sun comes up after a good rest under the stars.

Important Information

Trail Rating System

Every Jamboree trail is rated from 1 (easiest) to 10 (the most difficult). These ratings are based on the overall trail, not just on one or two tough spots. Rain can increase ratings by one or two points. Please remember, all vehicles are subject to vehicle check prior to trail departure. Numerically higher rated Jamborees are more likely to result in vehicular damage.

- 1-2** Obstacles and terrain are relatively easy to navigate. In optimum weather conditions, some trails may not require continual use of four-wheel drive (4WD).
- 3-5** Moderately demanding. Challenge for novice drivers. Obstacles may include: mud holes, boulders, and streams. Requires 4WD with 4-LO.
- 6-7** Demanding. Challenge for most skill levels. Mud holes get deeper, boulders get larger, and climbs get steeper. Requires 4WD with 4-LO.
- 8-9** Very demanding. Likelihood of getting stuck is high. Mud holes may be deep and rock climbing is more arduous. Lifts and lockers are helpful. Requires 4WD with 4-LO.
- 10** Extremely demanding. Reserved for the toughest off-road trip in the U.S.A. – the Rubicon Trail.

Requires 4WD with 4-LO, front and rear lockers, skid plates, rock rails and an aftermarket rear differential cover.

Rubicon Trail Jeep Jamboree is limited to TJ, JK, JL and JT models only without prior approval. Jeep Renegade, Patriot, Compass, Liberty, Cherokee, Grand Cherokee, or Commanders are not allowed.

During registration participants will have the opportunity to discuss the trails, their driving experience and vehicle capabilities with the trail guides. Guides will work with participants for trail placement. Rain may increase trail ratings 1 or 2 points, especially with street tires.

Waivers are required!

Waivers will be collected at the Jamboree during registration. Please read, sign and bring the completed waiver with you. All passengers in your Jeep vehicle must sign and date this waiver. A waiver for participants under the age of 18 years old must be signed and dated by a parent or the minor's legal guardian.

Registrations, adding, deleting, or changing of passengers

In order to give accurate counts to our caterer for the meals, pay for land use and permit fees, all new registrations of vehicles, adding, deleting or changing of passengers must be completed (2) two weeks prior to the Jamboree date. We will no longer be able to accommodate any on-site registrations. This is for both adding of Jeeps or passengers. Please note that registration prices are per person, not per Jeep vehicle. Event T-Shirts are included in your registration fee. You must pre-order event T-Shirts at the time of your online or phone registration. Pre-ordered shirts will be given to you during on-site registration.

Please Tread Lightly!

Travel responsibly on designated roads and trails or in permitted areas.

Respect the rights of others including private property owners and all recreational trail users, campers and others to allow them to enjoy their recreational activities undisturbed.

Educate yourself by obtaining travel maps and regulations from public agencies, planning for your trip, taking recreation skills classes, and knowing how to use and operate your equipment safely.

Avoid sensitive areas such as meadows, lakeshores, wetlands and streams, unless on designated routes. This protects wildlife habitat and sensitive soils from damage.

Do your part by leaving the area better than you found it, properly disposing of waste, minimizing the use of fire, avoiding the spread of invasive species, restoring degraded areas, and joining a local enthusiast organization.

Frequently Asked Questions

What are the requirements for my Jeep?

- **Tow points are MANDATORY!** Tow points may include, tow hooks properly mounted to the frame with grade six / eight bolts according to official Mopar installation procedures, draw bars, receiver hitches, or aftermarket bumpers with manufacturers installed clevis or D-ring anchor. *If you do not have tow points, you may be turned away at registration without a refund.*
- **A CB Radio is MANDATORY!** Handheld CB's are not recommended. There are many safety issues regarding upcoming obstacles transmitted over the CB radio by your trail guides. It is required that each vehicle has a working CB radio. You will also learn interesting facts about the area - history, local plant and wildlife, as well as exciting stories.
- Participant Jeep tire size shall not exceed 37". If your tires exceed 37 inches, you will be turned away at registration, will not be allowed to attend the Jamboree, or receive a refund!
- Snowplow frames are not allowed.
- We recommend removing running boards and steps (both factory and aftermarket) if you are planning to participate in higher rated trails.
- All open-topped vehicles, including older models (CJs, Scramblers and Willy's), are required to have roll bars.
- A tow strap with looped ends is recommended. **Straps with metal hooks are not allowed.**
- A full-size spare tire (or comparable) is mandatory! A space-saver spare (donut) just won't do.
- Your Jeep must be street legal with a license plate.

Will my Jeep be going through water?

Some Jamborees may have water crossings and water holes. Many of these crossings and holes offer a bypass, if you decide to "go around". It is very important to watch and listen to your trail guide.

When driving in deep water, **go very slowly!** If your engine gets wet and stalls, **do not** try to start it as you may cause serious engine damage.

For additional tips on water crossings, please refer to your copy of *Mark A. Smith's Guide to Safe, Common Sense Off-Road Driving*, which is available for download on jeepjamboreeusa.com.

What should I bring?

- A basic tool kit is recommended.
- A First aid kit recommended!
- A Tire gauge recommended!
- An ice chest full of your favorite non-alcoholic beverages. It is important to stay hydrated!
- A full tank of gas prior to General Attendance Meeting! You will not have time to fuel up after the meeting.
- Trail snacks and a chair/blanket for the lunch stop.
- Flashlight
- Camera
- Binoculars

- Toilet paper and Zip-lock bags for tissue disposal
- Hand sanitizer
- Rain jacket and warm clothing.

A note on land usage...

Many Jeep Jamboree USA events are held on private lands with the consent of landowners, or on public lands through special use permits. In some cases, Jamboree trail groups are granted access to trail areas, which are closed to all other vehicular access during the year.

Please be aware that access to these trail areas is allowed only by guided JJUSA groups during the scheduled Jeep Jamboree trail rides. Individual Jamboree guests returning later to drive in these areas on their own do so in violation of JJUSA's land use agreements and endanger future Jamboree usage of these restricted trails as well as being removed from the Jamboree without a refund.

Thank you for your cooperation in assuring Jamboree access to some of America's most spectacular backcountry.

Trail Conditions

While we trim back as much brush as possible, we are limited by Federal, Tribal and Private landowners to the amount acceptable by each entity.

Get connected!

Join the discussion group for just one or multiple Jeep Jamborees on Facebook. This is a great way to start conversing with fellow participants and trail guides before the Jamboree. Ask questions, share information and photos before, during and after your great adventure. Click on discussion groups on the Jeep Jamboree USA homepage and join for free.

Can I bring my Jeep Liberty, Cherokee, Grand Cherokee, Renegade or Commander?

Of course! All new Jeep 4x4 vehicles with a 4-lo transfer case are Trail Rated® and are tested on demanding 4x4 trails. Your Jeep four-wheel-drive vehicle is required to be in good condition, with good tires, brakes, and seat belts. In addition, we require prior approval for larger Jeep 4x4s, such as Grand Wagoneers and J-series pickups. Jeep Jamboree USA reserves the right to refuse participation to any applicant whose vehicle exceeds size restrictions.

Where do I sleep on a Jeep Jamboree?

Participants are responsible for arranging their own lodging. A list of accommodations is included in this event itinerary. Be sure to mention you're attending a jeep jamboree when making your reservation.

Could my vehicle be damaged on a Jamboree?

Every effort is made by Jeep Jamboree USA to make the trails as safe as possible. Participants are advised to closely follow instructions given by trail guides, spotters, and Jeep Jamboree USA. However, there is the possibility of damage to your vehicle when traveling rough terrain. Any damage is the owner's responsibility. Jamborees with higher difficulty ratings are more likely to encounter terrain that may contribute to vehicular damage. You are required to sign a waiver form.

Are Jeep Jamborees safe?

Our trail guides are trained to put your safety first. If they ask you to refrain from any activity, to avoid specific trails or areas, which jeopardize you or your fellow participant's safety or is not authorized for our use, please follow their directions. Jjusa does not authorize or promote any night runs. As agreed to in your waiver, all participants agree to wear his or her respective seat and shoulder belts. If a trail guide asks you to wear your seat belt and you do not comply, violators will be removed from the jeep jamboree, money will not be refunded, and those involved will be banned from all future jeep jamborees.

What is the policy on alcoholic beverages?

No occupants of vehicle will possess or consume alcohol while on the trails. Doing so means immediate expulsion. Money will not be refunded, and those involved will be banned from all future jeep jamborees.

What payment methods are accepted ?

What are the rates for children 5 & under?

Children 5 and under are not charged to participate with you in a jamboree. Complimentary meals for children 5 and under will be provided.
