WHAT HAPPENS HERE

Vehicle evaluation, registration and trail sign-ups Thursday; morning staging and dinner in the Bingo Hall Friday and Saturday.

A MESSAGE FROM YOUR TEXAS SPUR COORDINATOR

All the trail guides and I would like to take this opportunity to welcome you to the Texas Spur Jeep Jamboree. We believe you will experience one of the most challenging and exciting Jeep Jamborees offered.

Our meals and line-up are at the Llano County Community Center. The Llano Golf & River Resort is next door and provides RV hookups and tent camping at the Llano City Park. The city park has outstanding camper and tent camping facilities and is very reasonably priced. Approximately one half mile from the community center is the River View RV Park, another excellent park with RV hookups.

Vehicle evaluation will take place on Thursday, before and during registration. See "Vehicle Requirements" for the required equipment. If your Jeep does not meet the required specifications you will be required to make the necessary adjustments prior to being allowed on the trails. If you have any questions about the suitability of your Jeep or equipment please ask a trail guide to check your Jeep anytime on Thursday.

Everyone registers with a color group. We do not register easy to hard groups as you may have experienced at other Jeep Jamborees. Every color group runs every trail. All trails are considered moderate to hard. We recommend that our less experienced drivers register with the Yellow group, which has an easier rotation of trails (hardest trail last).

The drive to the Inks Ranch is approximately 17 miles. This route is primarily over county roads. You may want to bring an air compressor if you wish to air up before the return trip as we do not have the capability to air up Jeeps at the ranch. The last 3-4 miles to the Inks Ranch are on a dirt road. This can be an extremely dusty drive. There will be an opportunity to remove doors on the ranch prior to beginning trail runs. Plan accordingly. We do not allow you to trailer your Jeep to the ranch due to lack of parking and the time required to unload.

Again, welcome to the Texas Spur Jeep Jamboree. We all look forward to seeing old friends and making new ones.

BEFORE YOU GO

REQUIRED

Missing any of these means you are turned away at registration, without a refund.

- THIS EVENT 33″ minimum tire size. 35″ tires required for Gladiators
- THIS EVENT At least one locker or a Rubicon model Jeep
- THIS EVENT Only ADA registered service dogs are permitted to attend. No other pets are allowed.
- Tow points: frame-mounted tow hooks with grade 6 or 8 bolts, draw bars and receiver hitches, or aftermarket bumpers with a manufacturer-installed clevis or D-ring.
- A working GMRS-compatible radio. Guides call out upcoming obstacles, plus local history and wildlife.
- A full-size spare tire.
- Seat belts for all occupants, worn on the trail.
- Street legal, registered and insured, with a license plate.
- STRICTLY ENFORCED Tires no larger than 40". Suspension lift no more than 6". No exceptions.
- Roll bars on all open-topped vehicles, including CJs, Scramblers and Willys.
- A rated tree saver and soft shackle if you run a winch.
- No buggy-style Jeeps and no snowplow frames.

Recommended: a tow strap with looped ends (metal hooks are not allowed), a fire extinguisher and first aid kit. Consider removing running boards and steps for higher-rated trails. Questions about your Jeep? Contact your Adventure Consultant before the event.

PACK LIST

Bring these with you — for registration, and for the trail.

- Signed waiver for every occupant; a parent or legal guardian signs for passengers under 18.
- Photo ID for the driver of record — the name must match the registration.
- Name badge, worn all weekend. It is your admission to trails and meals.
- Basic tool kit, first aid kit, tire gauge, rain jacket, clothing for all conditions.
- An ice chest of non-alcoholic drinks. Stay hydrated.
- Trail snacks and a chair or blanket for the lunch stop.
- Insect repellent, sun block, medications, hand sanitizer, flashlight, camera, binoculars.
- Toilet paper and zip-lock bags for tissue disposal.

KNOW BEFORE YOU GO

- Registrations, and adding, deleting or changing passengers, close 14 days before the event.
- Check a 10-day forecast for every location listed here; conditions differ sharply between them.
- Drones require permission from your trail guides, and many landowners and agencies prohibit them outright.
- Alcohol and non-prescription drugs on the trail mean immediate expulsion without a refund.
- Trail access may be granted to guided Jamboree groups only — returning on your own violates our land use agreements.

TRAIL RATING SYSTEM

1–2

Relatively easy terrain. In optimum conditions some trails may not require continual use of 4WD.

3–5

Moderately demanding; a challenge for novice drivers. Mud holes, boulders, streams. Requires 4-LO.

6–7

Demanding at most skill levels. Deeper mud, larger boulders, steeper climbs. Requires 4-LO.

8–9

Very demanding. Getting stuck is likely and rock climbing is arduous. Lifts and lockers help.

Ratings describe the overall trail, not one or two tough spots. Rain, even from days prior, can raise a rating one or two points, especially on street tires. All vehicles are subject to a check before trail departure, and higher-rated trails are more likely to result in vehicle damage. When in doubt, ask a guide.
