ICELAND WINTER ODYSSEE

✓ CHECKLIST

CLOTHING AND EQUIPMENT

Layered clothing: Base layers, insulating layers, waterproof layers. Eye-catching colours preferred.

Hiking boots: Sturdy, waterproof, comfortable.

Rain gear: Waterproof jacket, trousers and a poncho if necessary.

Hats and gloves: Warm and suitable for the weather

Backpack: Comfortable, with enough space for the essentials.

Tent and sleeping gear: This survival equipment is provided new.

Navigation equipment: Maps, compass, GPS device, smartphone with apps.

Headlamp, torch: Gladly with extra batteries.

First aid kit: Is available - but please remember your personal medication.

Water bottle, filter: We carry drinks with us - but please also stock up yourself.

Food and snacks: We carry food with us - but please stock up individually for the vehicle. Focus on non-perishable items that you would also take with you on a hike.

Glasses, sunglasses, dark tint, ski goggles: Please bring individual eye protection. Dark tint, yellow or orange are also suitable.

Crampons: We bring simple crampons - you are welcome to bring your own from home. Be sure to check beforehand whether your shoes are suitable for the crampons.

Hiking poles, ice axe: If available, please bring your own.

Helmets: If available, please bring your own.

SAFETY AND NECESSITY

Emergency contacts: Local emergency numbers, contacts for nearby services - will be provided by us on site. Please also provide us directly with a contact number that we should inform if necessary.

Weather forecast: Find out about regional weather conditions yourself.

Safety whistle: For emergencies - can be very useful.

Multi-tool or pocket knife: Practical for various tasks. Please inform yourself about entry regulations.

Firelighter: Matches, lighter, storm lighter - fire means visibility and warmth.

OPTIONAL / ACTIVITY-SPECIFIC

Camera and binoculars: Sure, please bring a carrying bag if possible.

Climbing equipment: If required - will also be provided if necessary.

SAFETY AND CONVENIENCE

Comfort items: A blanket helps to keep you warm or to lie on during a repair.

Seat belts / child seats: Make sure that all passengers are properly secured.

Medication: Make sure that all travellers who have special medical needs have the necessary medication available. This may also apply to an unscheduled, longer stay.

IMPORTANT FINAL NOTES

Please inform us in good time about any special dietary requirements such as allergies, vegan or similar.

Please do not hesitate to provide your own drinks or snacks.

Please do not leave any traces in nature - we take waste with us, for example.

Please respect the wildlife - keep a safe distance, do not disturb.

Please respect the rules for driving in nature. We don't want to leave any traces here either.
